REVERSE COWGIRL IN PUBLIC

Dear CHERI,

I've never been one of those broads into public displays of affection, but I'm definitely into public sex. It's difficult to find a man who understands and appreciates the difference. Sometimes I think it's impossible. Often I've got to show my men what the difference is...

So there we were waiting for the local bus to pick us up from the depot at the mall to take us back to his place. It's a nice hot day in July, and I'm in my cute camouflage mini skirt he loves, and it's just too hot to wear panties. But, being the nympho that I am, my pussy is always wet and I'm always down for a good fuck. He tries to creep his hand over to mine and I snatch it away. Before he has the opportunity to start a fight, I tell him that if he wants to touch me, he better fuck me. He rolls his eyes and says it will be a good half hour before we get home. I tell him that "It doesn't matter; you can fuck me now." Unfortunately, he lacks a bit of imagination, so I had to show him what I meant.

I stand up, turn and face him. I tell him to get his dick out of his pants; I knew my request instantly made it twitch. He gave me this astonished and shocked look, and I told him again. He obliged, he's not shy, as he knows so many women have envied his nine inches. As he unzips his pants and pulls out his hard cock, I turn around facing the street and start lifting my skirt up. This camouflage skirt has two cargo pockets with zippers on the side that makes the skirt open up on either end for easy access. I usually zip them open when I'm feeling naughty and want to show off my garter belt. I unzip each side and the tips of my ass cheeks hit the warm air, and I hear him say "Mmmmm." I straddle his legs and slowly slide onto his thick hard fuck stick.

Just to be a tease, I sit and grind in his lap for a bit, watching all the cars zoom by us, no bus to be seen. He doesn't touch me. His hands are at his side. He knows this is my show. I gradually move forward feeling his dick part my pussy lips as I move forward and slide right back. I do it slow enough that I'm sure no car notices what we are doing. It looks like I'm just sitting on his lap!

He goes crazy! He starts talking to me, telling me I'm his good trick, his favorite dirty whore who's got the sloppiest wet cunt he's ever had. I reach between my legs and feel for his balls, and gently massage them through his shorts. I pull them up and rub them against my soaking pussy. I knew he'd have cunt juice all over

I straddle his legs and slowly slide onto his thick hard fuck stick.

the front of his shorts, and I knew he wouldn't care. It would be bragging rights, showing off how wet he can get me. He starts to pull my hair from the back of my neck and I know he's about to drop a nice load in me. To my surprise, his usual stolid organs are in rare form as he lets out a fierce growl and deeply exhales blowing his breath across my sweaty neck, sending a minty cooling sensation across it from his chewing gum.

All I could do is giggle and slowly ease myself from his lap while he helped me zip my skirt. Had this not been his first time, I knew he would have let me suck myself off him. But I figured the memory of me, reverse cowgirl, on his lap at the bus depot would be enough to set him off long after I'm done with him!

SEEING IS BELIEVING

Yo CHERI,

I rarely have a story to share as my girl and I keep it real vanilla. But I almost lost my mind when my girl told me to pull over to the side of the road to watch the live sex show at the bus stop!

So my girl and I are driving down the block on our way to the movie theatre, and we are at a stoplight. I notice up the block this slammin' six-foot-tall babe in a short camouflage skirt standing near this dude at the bus stop. As we start moving my eyes are on the road when my girl tells me to pull over real quick. I thought she had forgotten something at the house, when she adds that the babe at the bus stop is about to do a bone dance with this dude in public!

I couldn't believe my girl wanted to stop and check it out! So I pulled over and we watched the events that would make my girl want to give me the best head ever! This babe just sits on her man's dick like they do it all the time on that bench! We watch her work her way up and down his dick. My girl is squealing, going wild, asking me if I can believe what we are seeing? My dick got so hard I had to start rubbing it on top of my jeans while my girl watched. It was so hot to see my girl get excited watching other people fuck. She rarely lets me sneak in

Right there on the shoulder of the road she unzips my pants and starts to slob on my knob.

a few flicks when she's sucking me off. So to see her get excited watching made me hard like a rock. It's what I've been waiting for!

This babe's tits were bouncing and we could see how big and thick her nipples were cause they were so hard through her tight tank top. I couldn't believe the dude she was boning wasn't grabbing at her ass or tits; I mean did they really think that nobody could see what they were up to? It was awesome! Then she started to put her hands between her legs and I thought she was going to rub one out for us, but then I noticed she was grabbing his balls and for an instant I was jealous.

When the babe's head starts to move back we knew somebody was having their cum festival. My girl turns to me with the most amazing look of naughtiness and a big grin on her face, asking me if I saw all that she did. I mean it was over in almost four minutes, but it was a long four minutes! I told her "Hell yeah, I saw what happened" and asked her if she saw what happened to me as I showed her my boner.

She gets this smirk on her face and says that she'll help me take care of it. And right there on the shoulder of the road she unzips my pants and starts to slob all over my knob! My pretty-goody-two-shoes girlfriend is on her knees with her ass against the window blowing me! I couldn't believe it. I mean, it's not like some story other dudes share with CHERI, but this was the ultimate blow job my baby girl gave me. Hot sex in public gets my girl going. I wish I had more opportunities like that!

RIGHT STREET, WRONG AVENUE

Dear CHERI,

"I want you to mouth-fuck me and empty your aching balls down my throat," cooed "Peaches" on my office phone. Peaches was actually my girlfriend, Sheri, pretending to be an out-of-control sex addict who paid horny strangers to hose her mouth out with torrents of jizz. That was the idea that day we were role-playing. We had engineered an elaborate, real-world hooker pick-up scene for when we got off of work. We were both professionals who worked downtown and commuted each day.

She got off a half-hour earlier than I did, changed into her street-whore clothes and hopped a cab down to South Halstead Street, joining the lineup of working girls waiting for the rush hour fuckers and shit suckers to pull up and offer them rides. I took care of a last minute memo and left the office a few minutes later than usual, slipping on a cheap Halloween dreadlocks wig, some mirrored sunglasses, and a fake mustache as I hurried through the parking deck. I looked like every other random Midwestern pervert cruising for cheap sex. By the time I made it down to the assemblage of pussy strutting around the makeshift fuck market, I was so horny I was ready to spread Sheri's ass and drill her

so hard, my dick would pop out the other side of her. And there she was, leaning into the passenger side of a car window like an old-time drive-in window waitress. I actually felt a little jealous watching her faldng dirty to this mook, but I knew it was all an act to get me jealous. There she was, puffing a cigarette, wearing torn fishnet stockings with a pair of bright red panties showing just below the hem of her jacket. She had her leg inside the window of the car and peeled back her panties, tempting the driver by spreading open her wet, pink butterfly-like pussy lips. I watched some more, before honking. Her skinny knee-high boots made a long, leggy silhouette with a tight little bundle ass that popped out like a spring-loaded speed bump when she took off her panties. That was my "Peaches," a straight-up ghetto hoochie with a sperm addiction.

I parked and watched the curves of her ass teasing the poor bastard as she pretended to drop something, turned around and bent over onto the sidewalk, her tight little peach held in by nothing more than a cheap white garter when she lifted her leg, her pink-tipped firm plump C-cups smashed into a too small leopard print halter top, cleavage spilling out from all directions. I couldn't take it anymore. I honked. Instead of walking my way, she hopped into the car in front of me and sped off with the driver. I couldn't believe what had just happened. I tried her cell phone but it was turned off. I quickly got into traffic but I was 30 seconds behind at least. I drove and drove, searching. It was too late by the time I had found them. They were parked behind a dumpster. Her blouse had been pulled down around her clenching hips and her tits heaved as she pumped away, jamming the guy's swollen meat with her fist and mouth. One of his hands cupped her tit while the other slapped a hand full of her ass near her asshole, his fingers circling her poop dimple. They were in the back seat, her ass pressed against the window, making sticky butt prints and leaving a snail trail from her goosy twat. I got out of my car and went toward them. Did she think this was part of the scene? That filthy slut! But it turned me on so what else could I do? She was moaning, begging between slurps of his penis. "Cum!" she was crying, sheathing his throbbing pulse with her throat. She said she wanted to taste the sweaty stink of his jizz. She was face fucking him, taking him to the hilt in her mouth!

I pulled out my cock and started stroking. Their car bounced on its shocks as she began riding him, her butt bucking in firm, round gallops with each pump. I launched a load onto the steering wheel as a whiff of her freshly fucked twat filled my lungs. Holding on to her head by the ears like some kind of a jug, his balls emptied out onto her tongue. She sucked up the load and went to the source for more. A smile on her face, she quickly dug around in her purse, and peeled off a few \$20s and gave them to the strange mook. It caught him off guard. While she caught her breath and licked the jizz from her fingertips, the guy started the car up and hauled away. A handful of pocket change came flying out the window. A 75-cent tip? He drove off and merged back into polite society. Sheri was beyond stunned. What in the hell had happened? What had she done? Who had she just fucked? I stood outside the car, arms folded. She looked at me, confused, dribbles of jizz dripped out of her nose, out of her hair and down her chin. "No!" she said. "No!" I waved and smiled. "Right car," I said. "Wrong dick."

I got into my light blue Honda and turned the key. I tossed her shifty CD out the window, put it in first gear, headed home and dead bolted the door behind me. Slut.

Wika waits for her client Thomas to arrive at her place discretely, without disturbing her cunty neighbors. He is, after all, a well-known businessman, and if Wika's neighbors found out he was visiting her at night, it'd be in the papers in the morning. No need for anyone to know—especially Thomas' wife, kids, and his business partners—that he visits Wika, a well-known porn star. And Wika definitely doesn't want her agent knowing she's giving up her ass for free—well actually, for hot stock tips—or her boyfriend, since she hasn't let him fuck her butt after three years. Hey, it's a living. Wika works her ass to get it ready for Thomas' long cock, and he slides it in, using her tight ass to jerk himself off, until he gushes his creamy load all over Wika. Hmmm, looks like some cum got all over the sheets. "Got any stock picks on companies that clean goosy messes off of sheets?" Wika asks. "There's a Democratic convention in town!" ●

PAULINA AGUIAR

riding out dyke

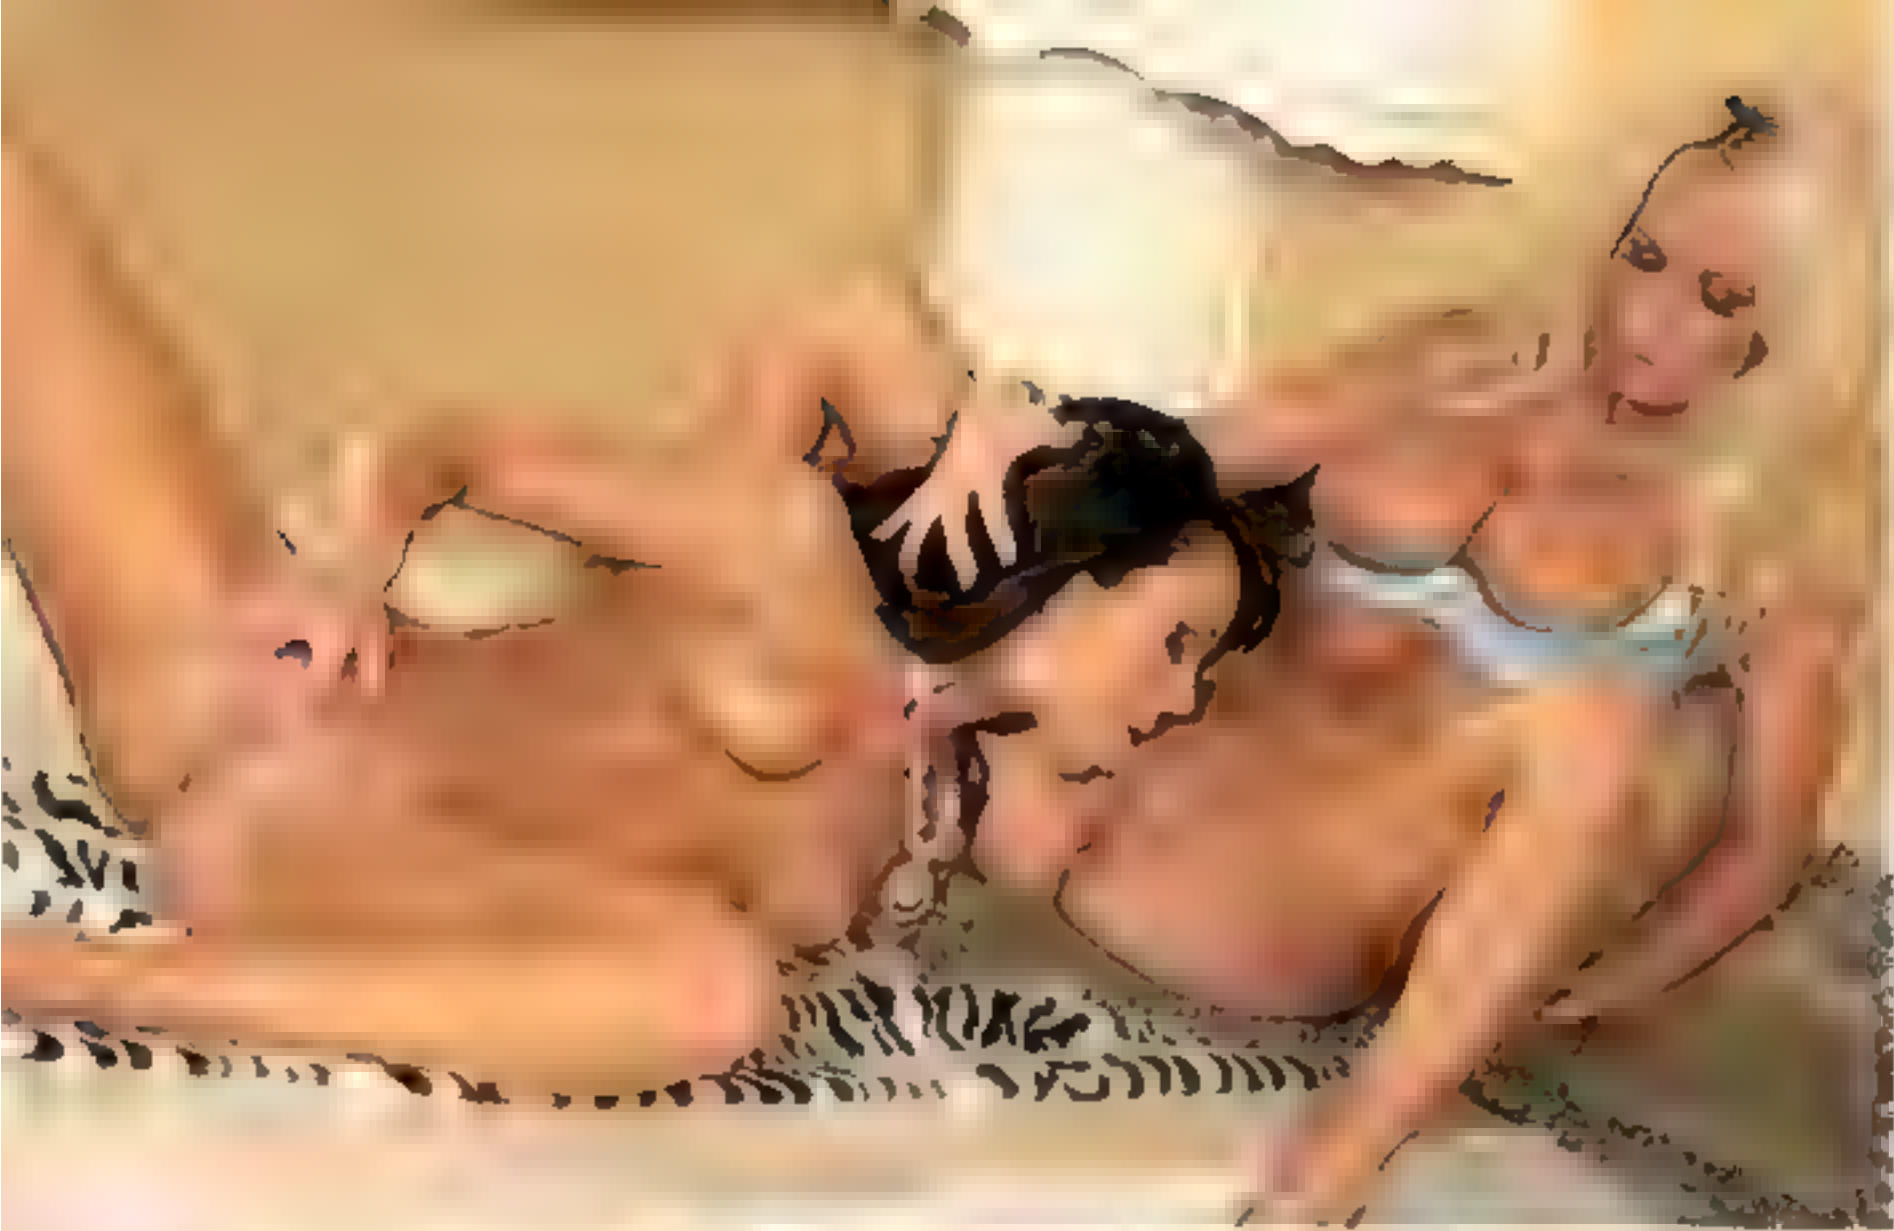

PHOTOS BY NICOLAS SAGE www.sagestyle.net

Paulina's new girlfriend Lachelle has no idea what a raging lesbian Paulina is. Underneath her sweet and petite exterior, Paulina is as fiery as her Latina blood. Paulina was on the hunt for a blonde, and Lachelle fit the bill—blonde, tall, and easily susceptible to Paulina's lezzy advances. Paulina quickly convinces the slim blonde to get naked, and she stares lustfully at Lachelle's golden pubes before burying her tongue deep inside Lachelle's hot pocket. Suddenly, the tables are turned and Lachelle's silky tongue is licking away at Paulina's throbbing clit. These crazy dykes are really going at it, experimenting with ass play, toys, hair pulling and lots of gash eating. It's a veritable feast for the senses. We know we feel full. ☺

NIKKI BENZ

xxx buxom blonde superstar!

Interview by Rob Perez

Poin Valley, CA—Nikki Benz is one of porn's hottest stars, with thousands of fans that worship this platinum blonde XXX vixen. So it was such a huge surprise, but a blessing in disguise according to Nikki, when Nikki was dropped as a Teravision contract babe in 2006. But, her fans have supported her and in return, Nikki has vowed to take the gonzo world of porn full force, releasing harder edge fuck flicks, and touring the country virtually non-stop as porn's premier feature dancer! That body, those tits, that face, that mouth we want to put our hard rock cocks in—Nikki Benz is a goddess and without question, one of the adult world's most elite performers! ➡

When did you realize your calling to become a porn star?
 I was a stripper and house girl in Toronto; I also did modeling on the side. I did bikini and lingerie modeling and that's when I realized I liked being in front of the camera. Being a stripper brought that erotic side to it. I got bored with dancing. I started when I was 18 and I remember just before my 21st birthday. I had read about Jenna Jameson a lot. I hadn't watched her movies but I was a fan of her pictures and a fan of her success. I thought, "Wow, that's so great." I wanted some of it. (Laughs) So of course, Jenna is obviously everybody's idiot, at least to the girls I talk to. So I was curious. I kind of fell into porn by mistake. I never really felt like I wanted to be the next big thing or be a big porn star. I was just curious and was bored of dancing. didn't see it taking me anywhere. And I'm like, "I'll try porn and that will open the doors to having my own website and feature dancing, and doing magazines." And that's exactly what I did, not knowing that I would build up a fan base or a following. I didn't even realize any of that. I was just kind of in it to try it out, and I liked it. I've stayed in it ever since. I don't know if it's a calling or not. I call it more curiosity.

Were you a very sexual person before you got into porn?
 I think so, yes. I've always liked sex and I was very promiscuous when I was 18, oh yeah! (Laughs)

Wish I had known you then. So you currently feature dance. How did you learn to dance?
 When I was seven or eight. That's really young. Obviously at age seven or eight they don't teach you to dance sexy. I love music—it's a passion. When I was younger I used to sing and dance. I'm a very musical person and I love Hip-Hop. When I feature dance it's mostly Hip-Hop, and then some rock and funk, R&B. It comes to me naturally. I've got the ear for it. When I do feature dance, I actually get a lot of compliments, especially from girls that work at the club. They all come up to me and they're like, "You're the first feature that can actually dance!" I'm like, "Well, thank you!" I was actually nominated. I'm the only porn star to be nominated for feature performer of the year. I take it as a compliment of my dancing because I don't do the fire show or the bubbles, and freakin' lotion. Seriously, I dance. I have my cute outfit and I dance to music, and people enjoy it. You don't need to do the fireworks or the bubble bath show. That's for girls that can't dance.

You talk about fans with a lot of love. Do you have any female fans?
 I do. Girls are crazy! (Laughs) I see that in strip clubs because there will be girls that come in to see me. There are some really wild ones. They're the ones who are crawling on stage, touching my boobs...

If a guy did that he'd have his ass kicked!
 Exactly. It's a double standard. The majority of my fans are male but I would say 30 to 40 percent of my fans are female. That's a lot but it's actually pretty cool.

Sometimes you work with a person who's not very clean, and that sucks! People need to shower before their scenes!

NIKKI BENZ

You've had a lot of jobs of course?

Of course, I love them. I think every 18-year-old should get them. That should be a pre-requisite, you turn 18 you get a boob job. My boobs are soft, that's why I like them. They're soft. When I jump, they jump with me. They're not rocks. My boobs are soft. I like soft boobies.

What's the best thing about being a porn star?

I get a lot of freedom and I work once or twice a week. The rest of the time I do whatever I want, and I get to travel. I've pretty much been to every single state. I love traveling, I really do. And I get to meet a lot of people and the little things that come along with it. And the money is great, too.

What's the worst thing about being a porn star?

Probably, when I do have to shoot and my call time is early and I have to get up at 6 AM, because I'm not a morning person. And sometimes, not all the time, but sometimes you do end up working with an asshole, like the guy you have to shoot with is a prima donna and has a pickle up his ass or something, and that sucks because I like working with nice people. So when I have to work with an asshole it makes the scene more

difficult. Or sometimes they'll have body odor and the fans don't get to know that because on screen you don't see that. But yeah, sometimes you work with a person who's not very clean, and that sucks. People need to shower before their scenes!

What's the last concert you went to?

It's been a while. The last concert I went to was in 2000. It was the Up in Smoke Tour (Dr. Dre, Snoop Dogg, Ice Cube, Eminem).

What's in your iPod/CD player right now?

Mostly Hip-Hop, and then I have some Madonna songs, some Marilyn Manson, Korn, but mostly Hip-Hop. I would say 95% of my music in my iPod is Hip-Hop. I'm not very diverse when it comes to my music. It's mainly Hip-Hop but I do like Marilyn Manson, System of A Down, hard rock, I'm like into two extremes. I like the hardcore Hip-Hop, or hard rock.

Do your sexual attitudes change on camera?

Yes and no. Essentially yes. On camera you see Nikki Benz, and on camera, besides having sex, I have to keep in mind that I have to be at a certain angle

NIKKI BENZ

"I've never felt more sexy in my lifetime, and I've met a lot of hot guys."

so I don't block the shot. So you have to combine being the sexual freak with all the professionalism that goes with it. I have to be aware of my surroundings when I'm having sex on camera, so I don't block the lighting, the camera shot, what not. Have my leg a certain way so the camera can get right in there. At home I don't have to worry about that. I can be 100% myself.

Do you consider yourself bisexual?

Yes, I do because I love working with girls but I also love working with guys. But, could I date a girl? No. I could only date guys but I love threesomes, they're my favorite. To fuck a guy and a girl at once, I love it.

Does your family know what you do for a living?

No, they think that I'm in LA modeling. Which I sort of am. I do model for magazines. In Toronto I did mainstream modeling like calendars, stuff like that. Stuff where you don't have to get naked so, they just think that's what I do. Which is fine by me.

If you could change one thing about yourself what would it be?

Physically, I would change nothing at all. In terms of my personality, I would definitely give myself more patience because I could be very impatient. Other than that, I like my personality. I can be feisty, but I'm also down to earth and calm at times.

What's one sex toy you can't live without?

Actually, I can live without a sex toy. Sex toys are great but I prefer the real thing. I will say this though, I was actually signing for a company—actually, I'm going to be the spokesmodel for The Screaming O—and they just came out with these mini-bullets; they're tiny but they're so powerful. It vibrates the fuck out of your clit. I love it.

Do you squirt?

I've squirted maybe twice in my lifetime. But I'm not a natural born squiter. (Laughs) It happened by mistake twice and I'm not sure why, but no I can't usually squirt.

What's your favorite non-porn movie?

I have so many but I'll give you my top three: Scarface, Donnie Brasco, **THE GODFATHER**.

If you won the lottery tomorrow, what's the first thing you'd do?

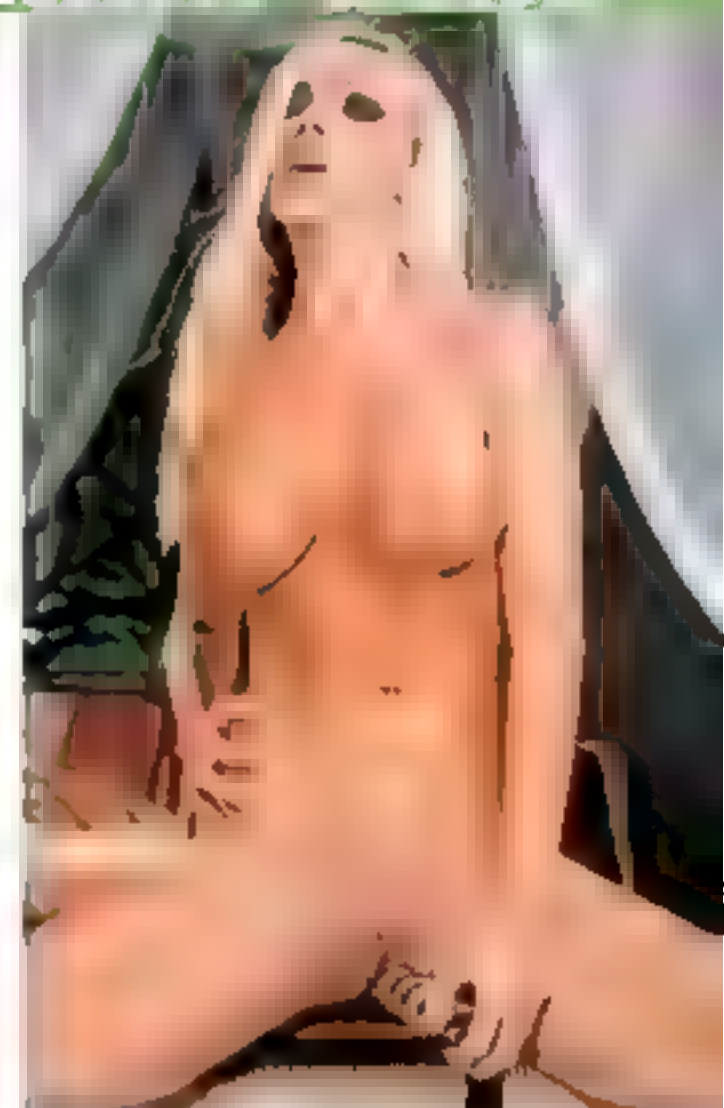

Start up my own production company where I'd treat my girls properly. I would pay them on time!

Do you have anal sex in your films?

No. In *Teradise Island* I did an anal scene for that, and that anal scene got ruined for two reasons. The guy couldn't keep his wood. And then Evan Seinfeld for some reason poured water on my hair. My hair curled up and there was no makeup or hair person on set with us, so my hair got all fucked up. So due to those two reasons they did not include that scene in the first series of *Teradise Island*, maybe in the second one. Then I did two sex scenes for *Teravision*, for a total of three scenes for them. But one of them, in my opinion, is unusable. I'm not doing anal, but I am doing more hardcore films, like more gonzo.

Do you have anal in your personal life?

Yeah, I have to be really turned on. I can't just go straight to anal. I

NIKKI BENZ

got to work it in (Laughs) I gotta have my other hole pounded first

Ever do a gang-bang on film or in person?

No, that's not something I'm interested in doing. I just find it degrading. Like maybe two guys and a girl and that's it

What are your feelings on oral sex, both giving and receiving?

I love it. I think oral sex is great. Everybody should do it. I like 69's because I love giving blowjobs and I like making stringers, where you get a huge amount of saliva just hanging from your tongue going to the guy's dick. I think it's hot. Like deep-throating too, as deep as I can shove it without puking! (Laughs)

What size cock do you prefer?

I'm going to say this to all the fans out there. The cocks they see in porn are not normal. There are like some fucking mutated cocks. (Laughs) I mean seriously, a nine inch dick in my pussy, no I prefer average size cocks. What's average? Five to seven inches? I don't like overly big dicks. It looks good on camera, yes, but does it feel good in personal life? No!

What is your favorite sex act?

Doggystyle. You got the guy banging you from behind and he can play with your boobs and your clit

Which porn stars would you like to work with?

When I first got into this industry I really wanted to work with Jenna Jameson. I find her very attractive and the fact that she's so smart and has done so well for herself is a big turn on. I love Brianna Banks, and I think Lanny Barbey is smoking hot. Carmen Luvanna, Stormy Daniels, all those girls. I like girls with big boobs!

What's your most embarrassing sex story?

I was dating a guy and he was fucking me doggystyle and then he stopped, and I said, "What's wrong?" And he said, "I don't know where the condom went!" A condom got lodged in me somehow! (Laughs) It just came right off his dick and it got stuck in me, and I freaked out. I'm like, "You fucking asshole!"

What does the future hold for you?

I really want to freelance and be a free agent, and just do more movies. My goal is to one day have Nikki Benz Productions or something to do in production or even be a director. I'm always going to be in porn but I'll just move behind the scenes, behind the camera.

Anything to say in closing to the CHER! readers?

To keep an eye out for my future releases, to check out my website, www.nikkibenz.com, and check me out on myspace—myspace.com/nikkibenz—and keep an eye out for my movies, my magazine layouts, and hopefully I'll be feature dancing in your town soon!

CUM STAINED CASTING COUCH 11

NEWBIE BABES GO THROUGH
THE ULTIMATE PORN INITIATION!

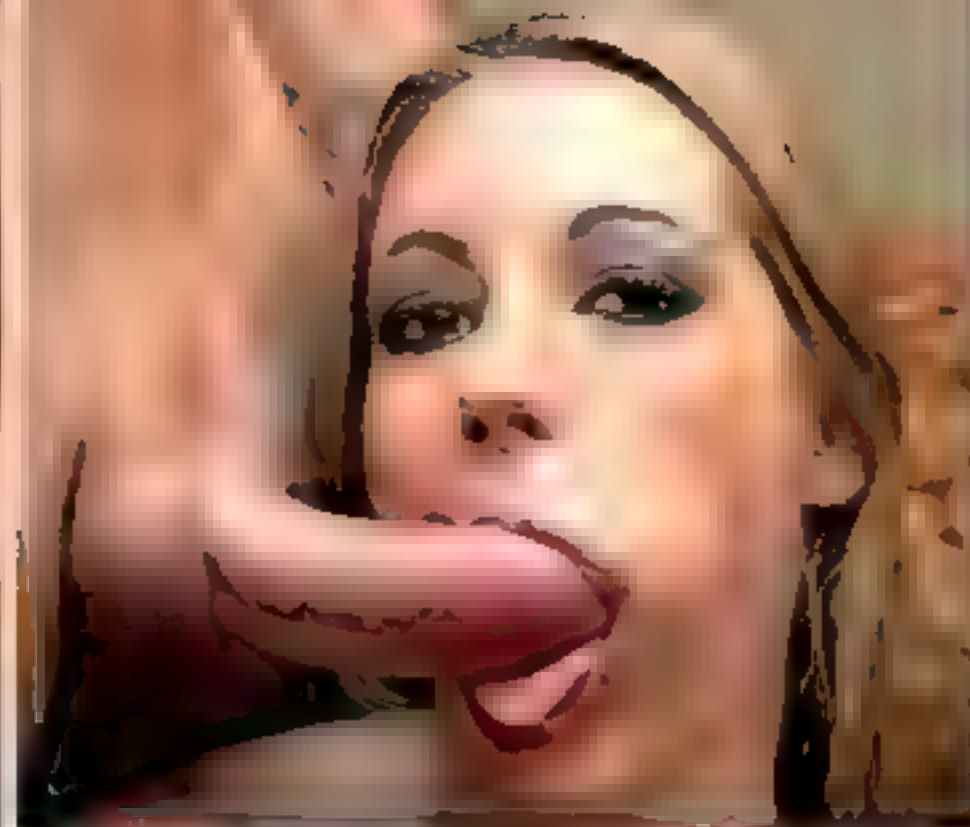

The myth of the casting couch is alive and hard with Red Light District's Cum Stained Casting Couch 11. Just imagine yourself as a sleazy porno producer, wearing tight pants, white alligator shoes, a polyester shirt with just the bottom two buttons closed, a cheap gold chain, your hair slicked back, a few lame pick-up lines ("You wanna make a lotta money, you gotta give me some lovin honey"; or the ever popular "You wanna be a big star in this business, you gotta be my little whore, sweetness"), and you too can be making dreams come true for a bunch of just-off-the-bus, wannabe porn whores. Just be sure to pick out the most gullible, greenest, naive, susceptible, finally legal teen babes out on their own, and far away from home for the first time, convince them that they can't make it in porn without you, and you could be drowning in young girl porn. And Red Light District shows you the tools you'll need to succeed in the sleazy world of porn, where everybody knows what goes on behind the closed doors of this very open business! ■

CHER

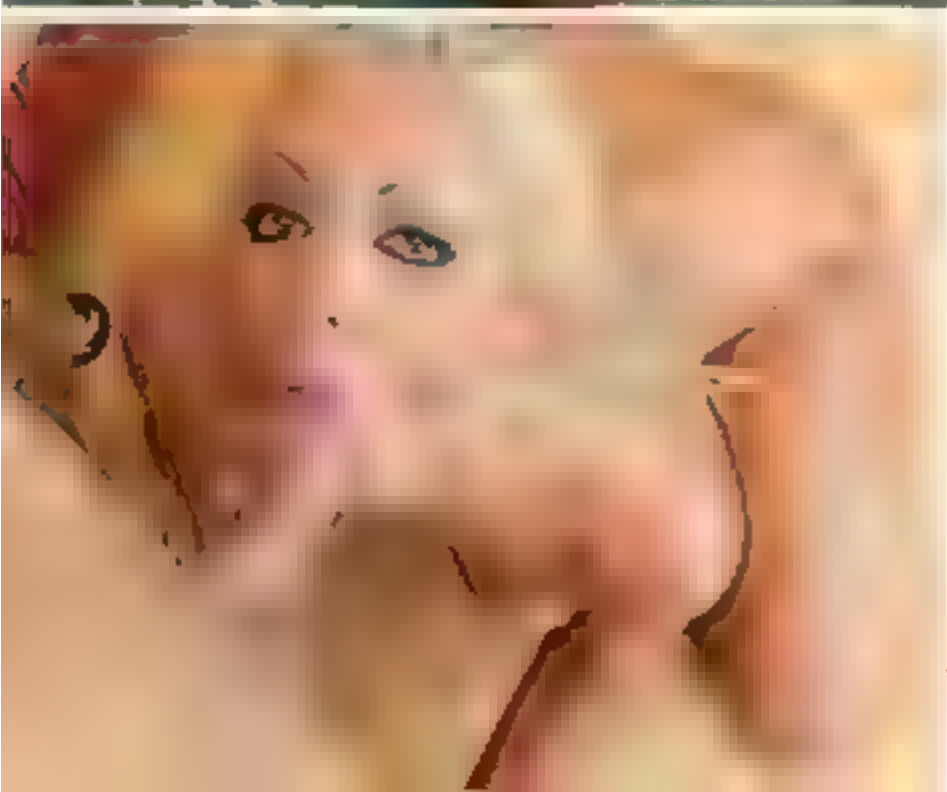

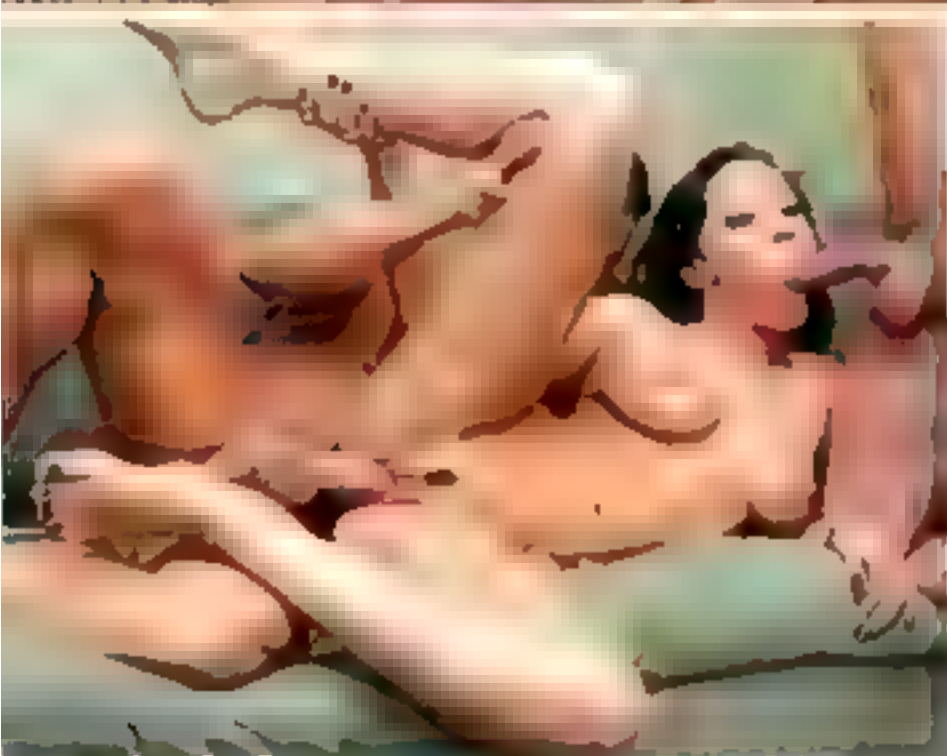

OK, OK, so we're exaggerating just a tiny bit about a porn casting couch. But director John Strong does assemble some fresh young beauties to sit on his couch and endure his line of questioning such as, "How old were you when you first had sex," "When's the first time you sucked a cock," "How many guys have you fucked," and so on and so forth. These babes jump at the chance to share with the world their sexy stories, and their supposedly sexual prowess. Lacey Maguire starts things off by explaining to John that she's in porn because she loves sex, and John can't wait for her to show him how much she craves his Russian meat in her tight holes. Oh yeah, it's clearly evident that Lacey loves sex, or more accurately, loves having John's cock deep in her mouth and her sweet young pussy. And what young girl wouldn't want to experience a hard and experienced cock poking her until she screams her lungs out?

Tia Thomas brings some sass and a little too much self-confidence in her fucking abilities. John asks her the obligatory question, "Why are you in porn," with Tia answering back, "I love sex." How original! John, along with some extra meat, tests to see how much this ebony babe loves ivory sticks. She gets pumped hard in every position imaginable, and while she was a trooper and took a double cum load on her face, it's pretty clear that Tia won't be bragging about her fucking skills—let alone walk upright again—for a long time after being boned by these two experts in the art of nailing pussy. Sorry Tia, go lay your bullshit sexploits on some loser who'll buy it for sure!

Call Winter is next up for a ride on the Strong Sexpress, and also offers her reasons for being a fuck toy. "Because I love sex," says Call. Although unlike Tia, Call definitely looks like the perfect candidate to be seduced on the RLD casting couch. Tall, long, and lean, with a tight hot pussy in between, and an empty head, Call looks like she'll fall for any bullshit we tell her. John has her in total control, sliding his fuck stick inside of Call, giving her the fuck of her life. Oh yeah, she's never been boned this hard or this well before. What was that about loving sex, Call? You've

never experienced sex this unbelievable before in your life. Now, go away, we're done with you.

Now we get to the cream and ream of the crop. Missy's a natural for her whorish kind of behavior, and we love her for it. John talks to her, lays his bullshit on her, but Missy has spread her sweet pink for so many guys she smells bullshit a mile away. Unfortunately, for reasons unknown, John passes on this sex goddess in training, and offers up this trick and treat goodie to Mike Stefano, who instantly makes Missy forget about all those cocks that have dipped their way inside of Missy, and reams her filthy wet snatch. That's just for opensers. Mike then pushes his way up Missy's butt, and pounds away at her glorious brown eye with ease, while Missy eyes go rolling into the back of her head. Definitely a keister reaming she'll never forget—until she gets it stuffed again in her next movie.

Chayse Evans just wants to fuck and John has no problem with that. Hey, if a chick wants to spread her holes to get you to fuck her, you don't say no to that. casting couch or not! John has his way with this awesomely stacked, luscious cutie, until his buddy comes by to sample some of the goodies Chayse is carrying. Even these two experienced cocksman have to give it up to Chayse; she may be easy but she'll show you why her cunt is the most sought after twat back home.

Cum Stained Casting Couch II inspired us to try our own hand at casting hot young dumb babes for porn films. It takes a lot of work, but the rewards are fulfilling.

JESSE
lusty & dusty

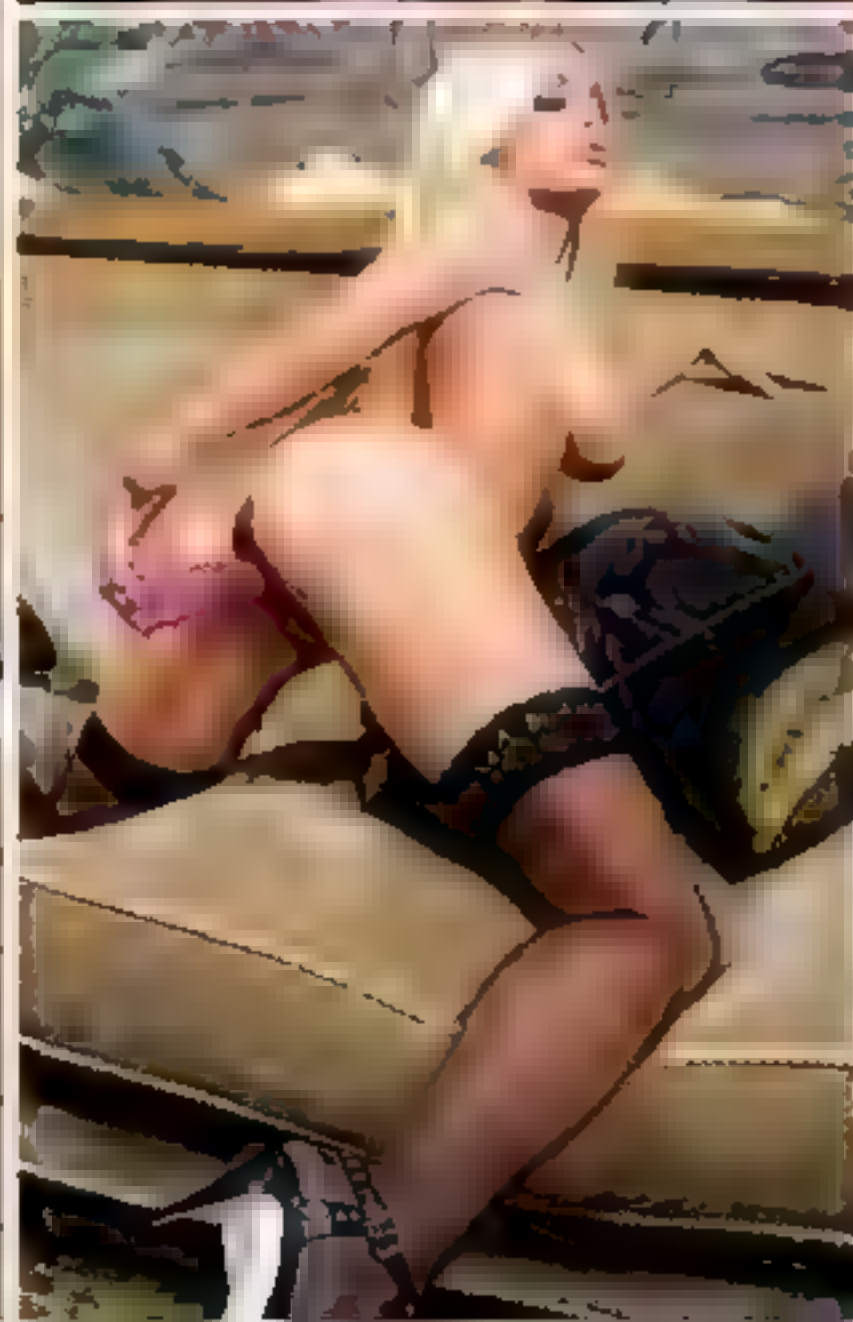

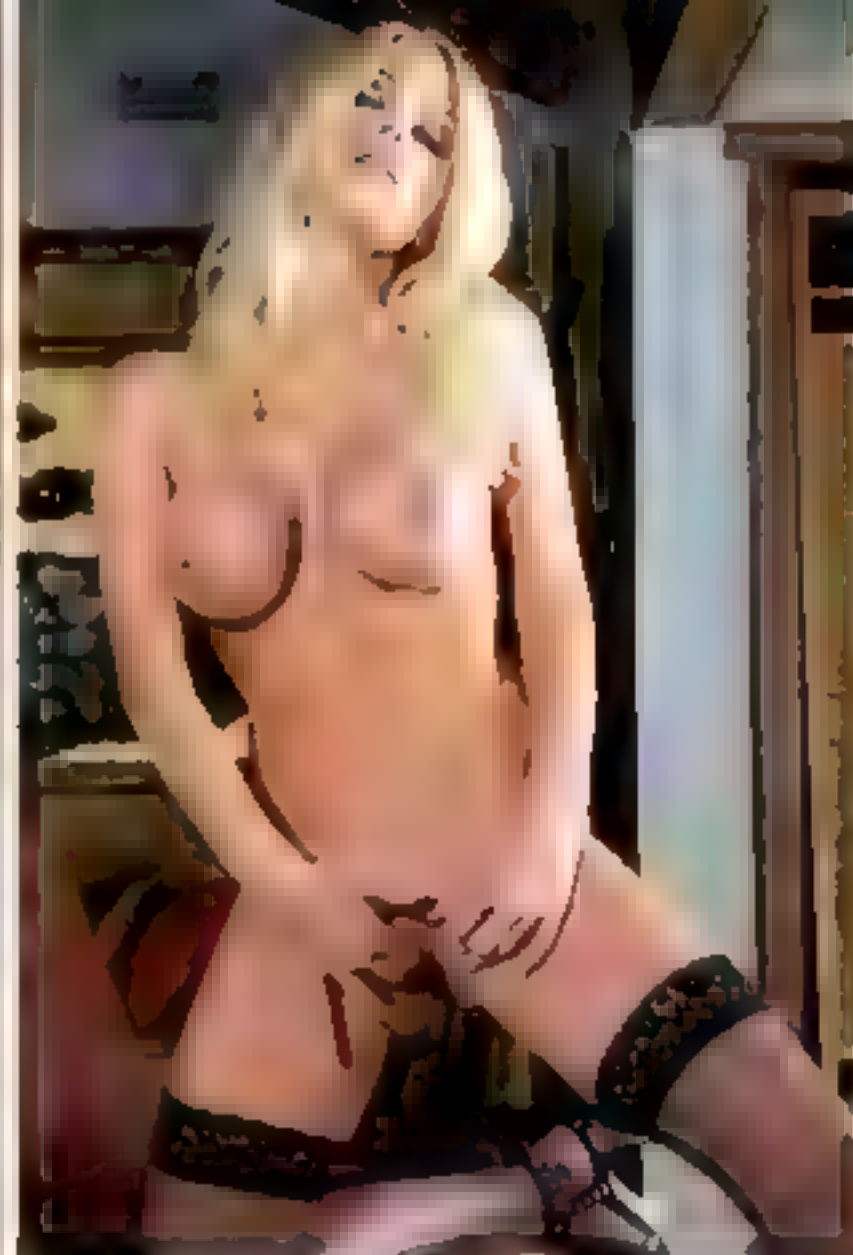

Digital Playground's Jesse Jane is our favorite porn girl. She's sweet, lovable, easy on the eyes, and loves sex! This booblicious cowgirl is easily one of the biggest stars in porn, and it's no wonder she's in the biggest and hottest sex magazine, *CHERI*. "Hi Y'all, this is your sweetie pie, Jesse Jane. It's good to be back spreading my goodies in my favorite magazine. I love writing for *CHERI*, sharing my sexy thoughts on my favorite subject—porn! What do you want to see more of? Do you want to see more of my big soft tits, my tight juicy pussy, or do you wanna see me getting it on with one of my hot girlfriends? I hope it's that last one, haha, because I've got so many porn pals I wanna fuck, just for you guys who read *CHERI*. I've got more movies coming out in 2008, so I expect ya'll to keep stroking it while you watch me suck and ride cock, and eat pussy. Don't ya'll go spending your money reading all them cheesy *CHERI* imitators out there. Cum back and see me fingering my pink in *CHERI*." We will Jesse. Hopefully fingering your pink is just the beginning! ♡

JENNIFER

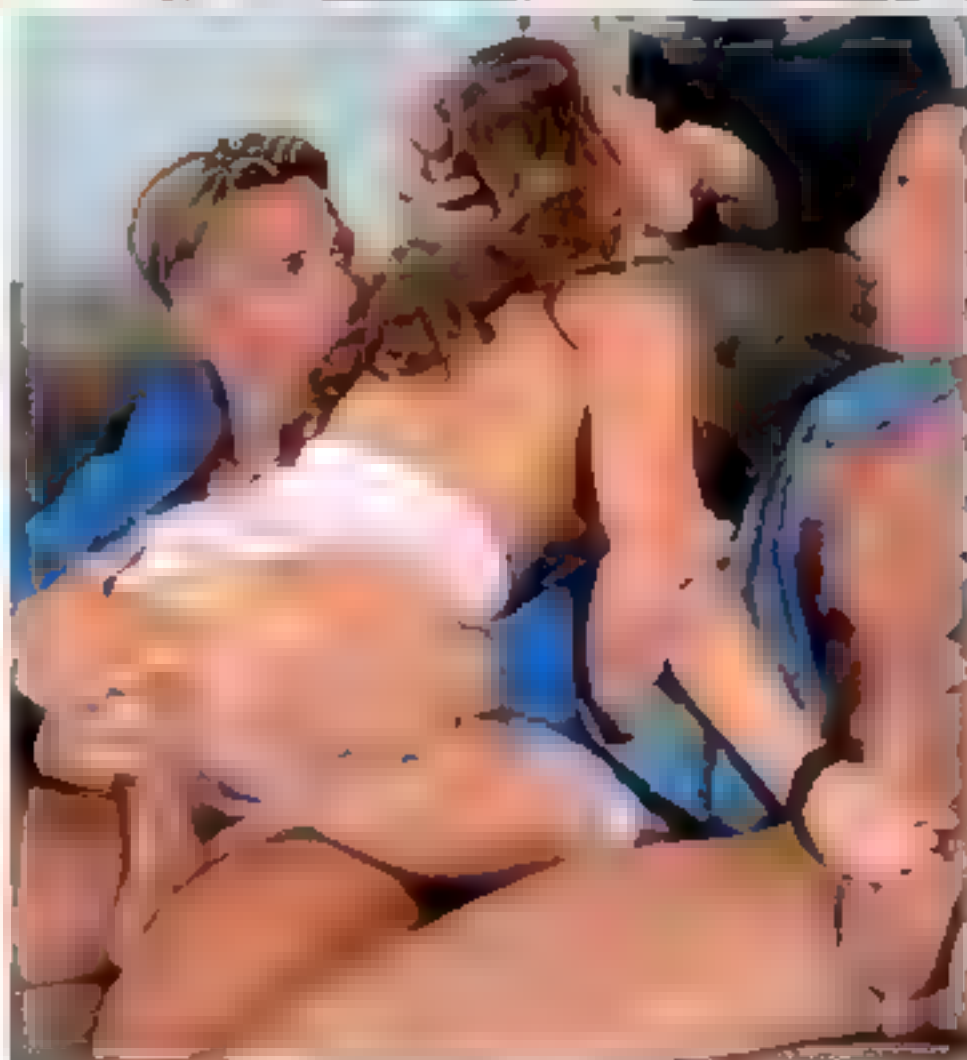

THREE IN ONE

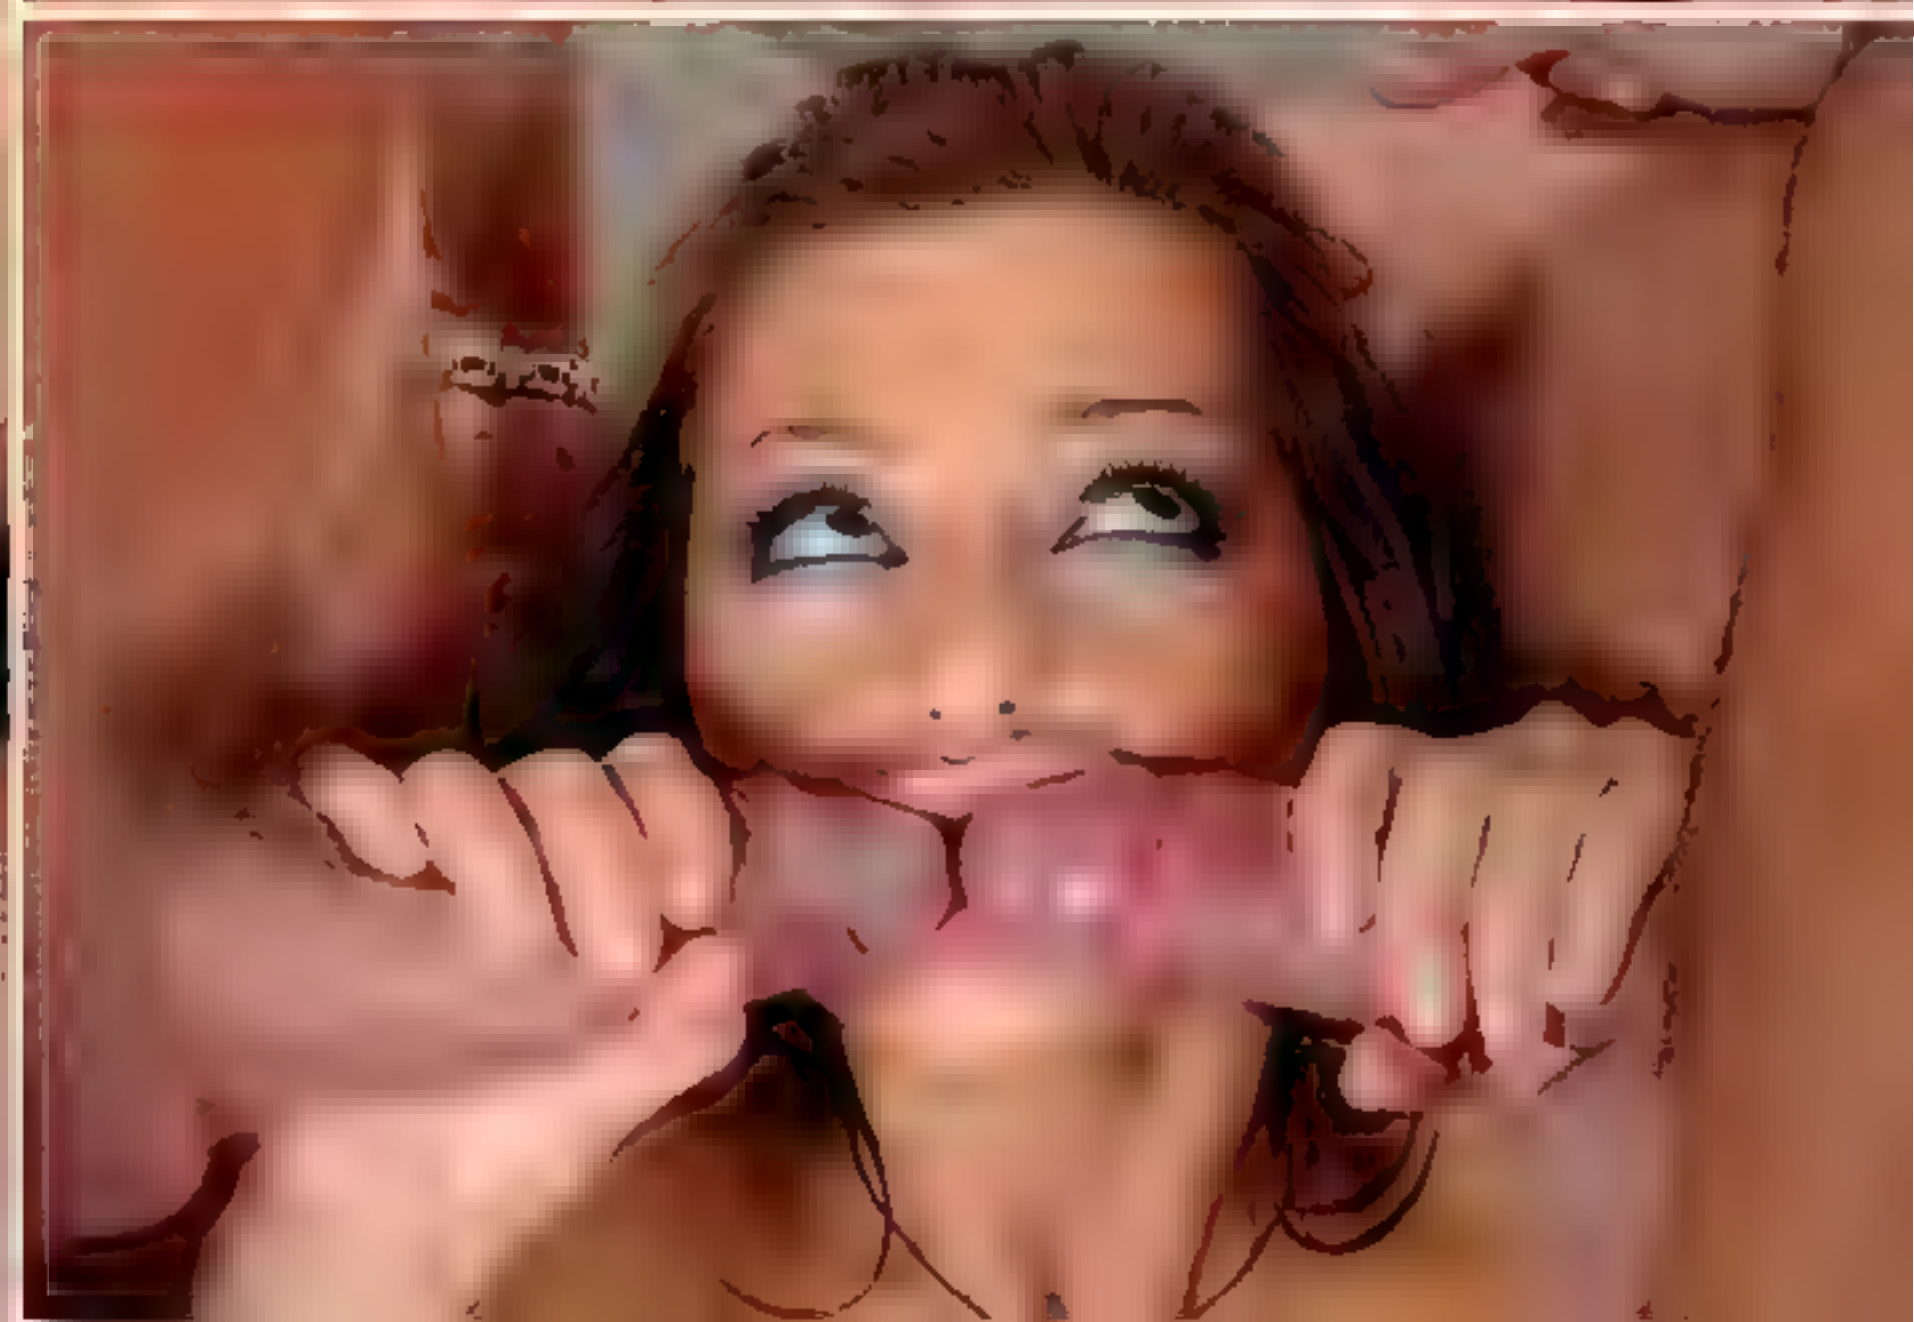

PHOTOS BY DENYS DEFRANCESCO

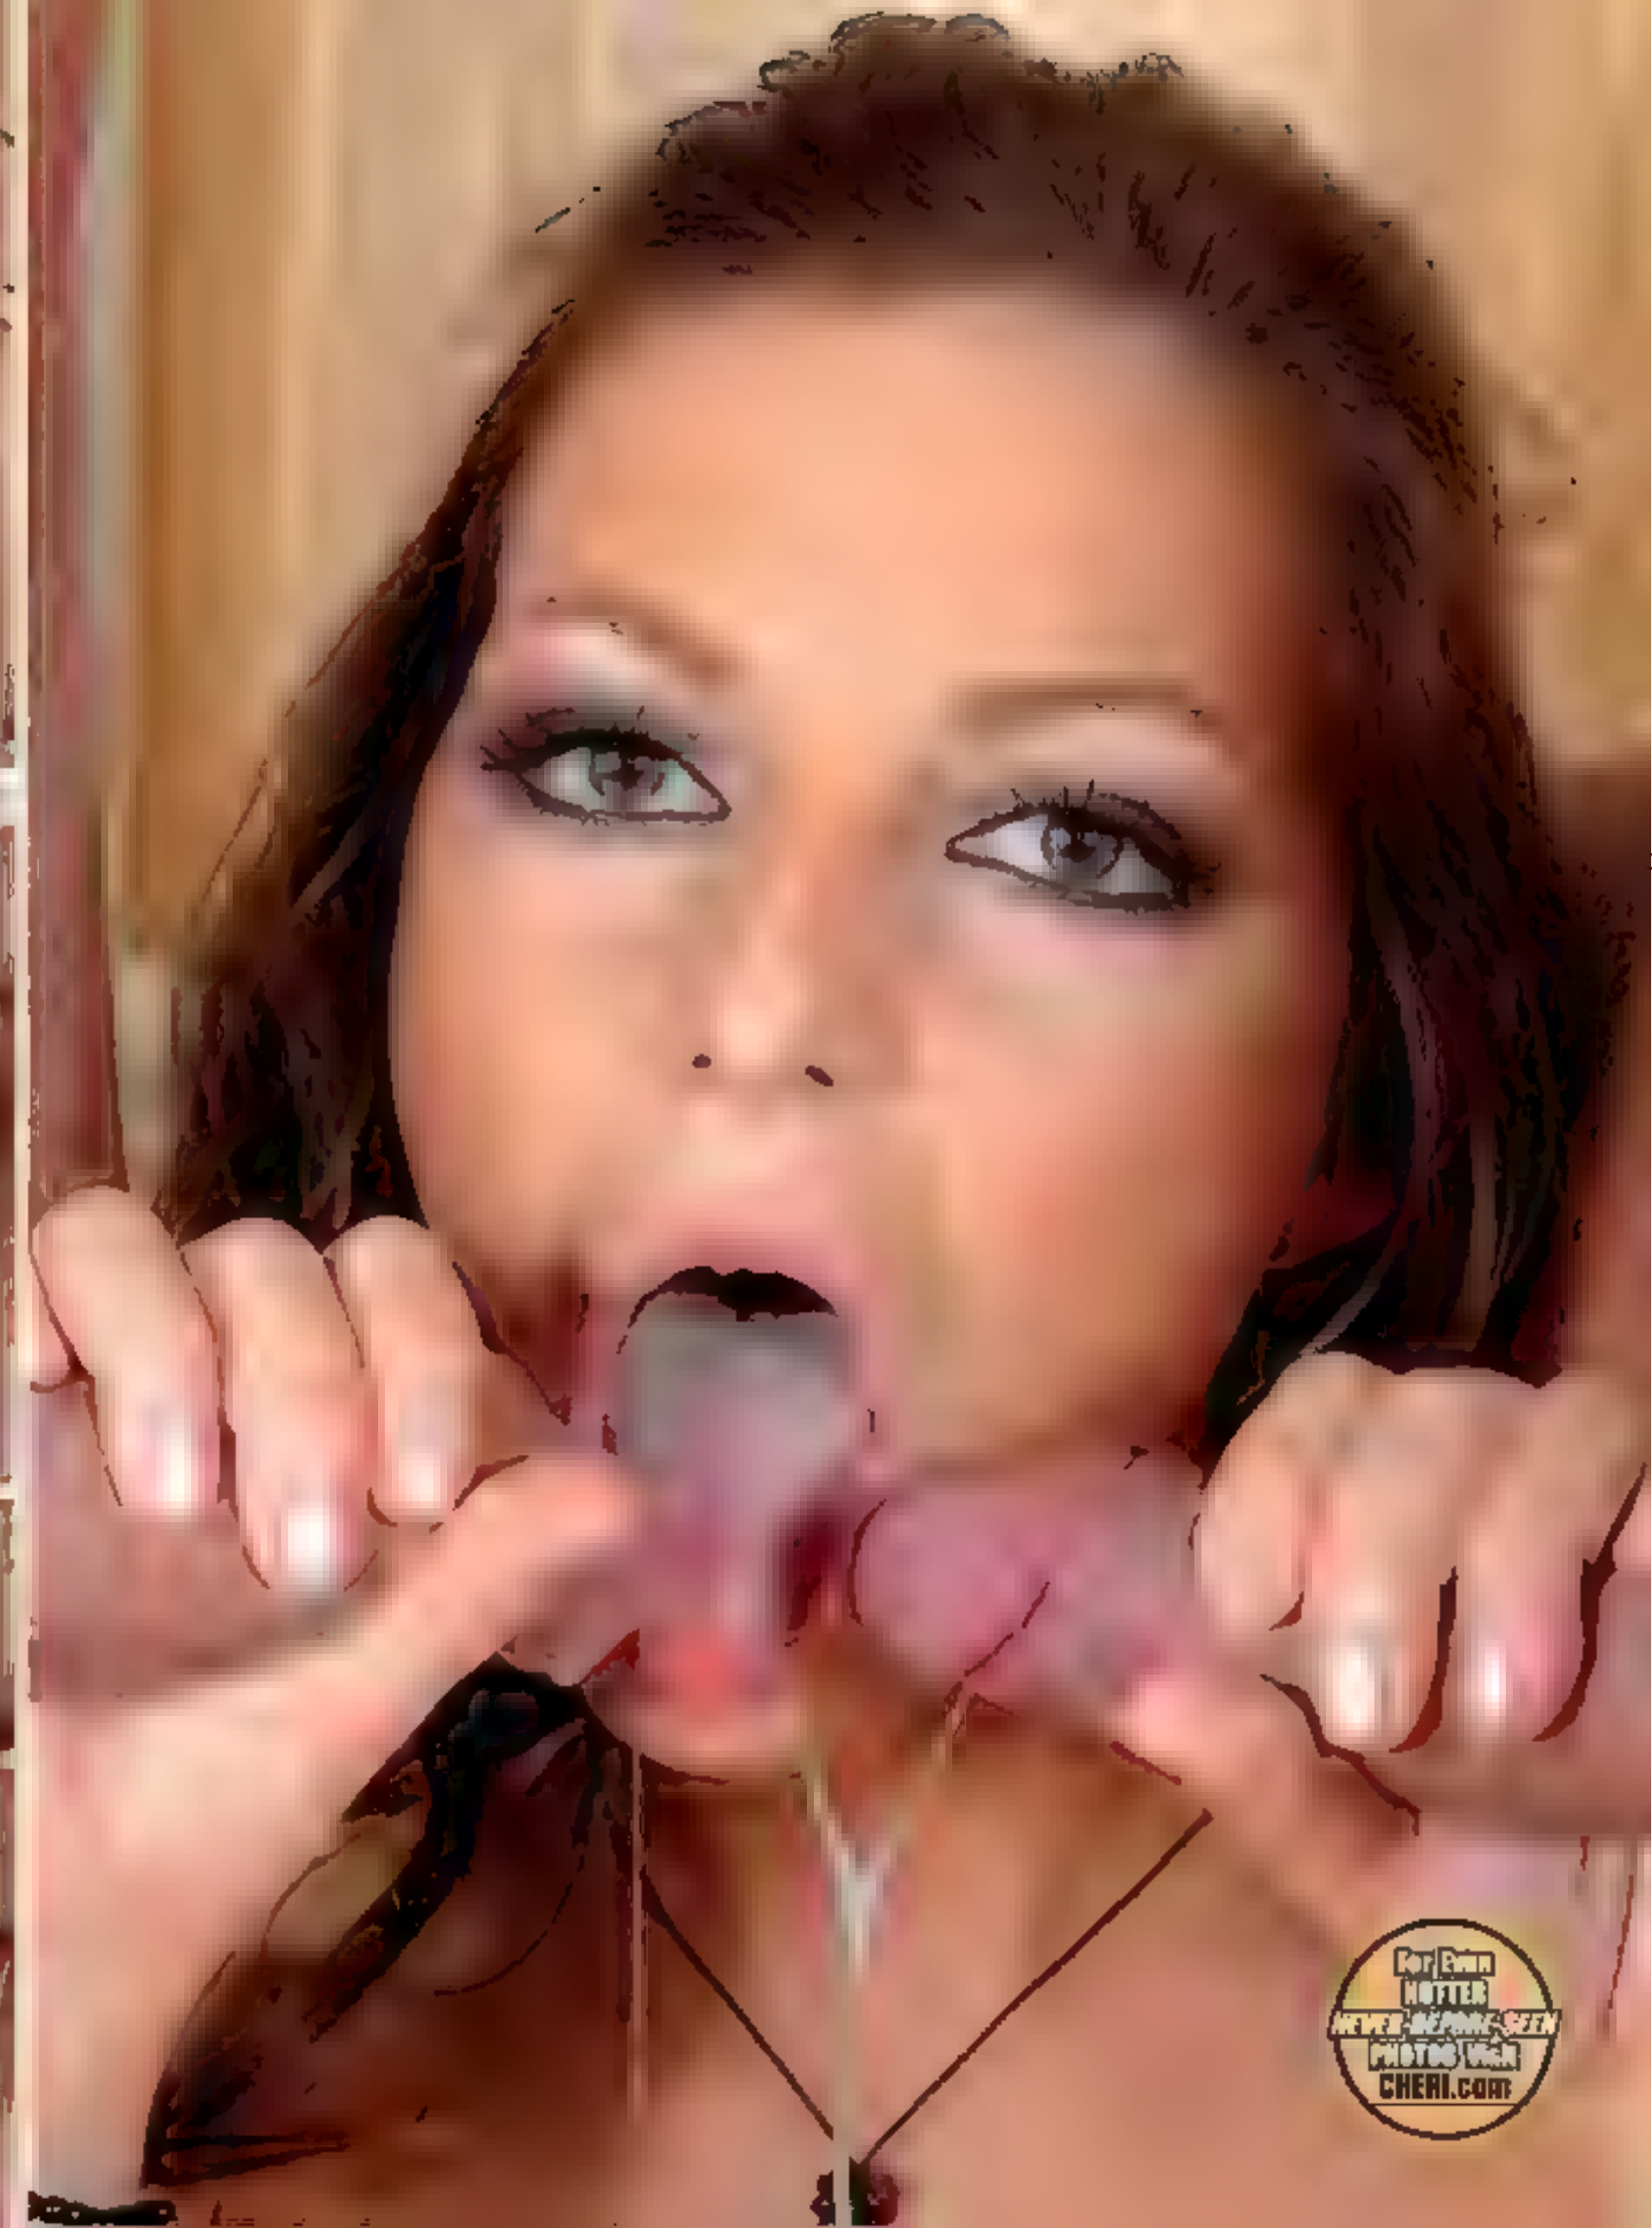

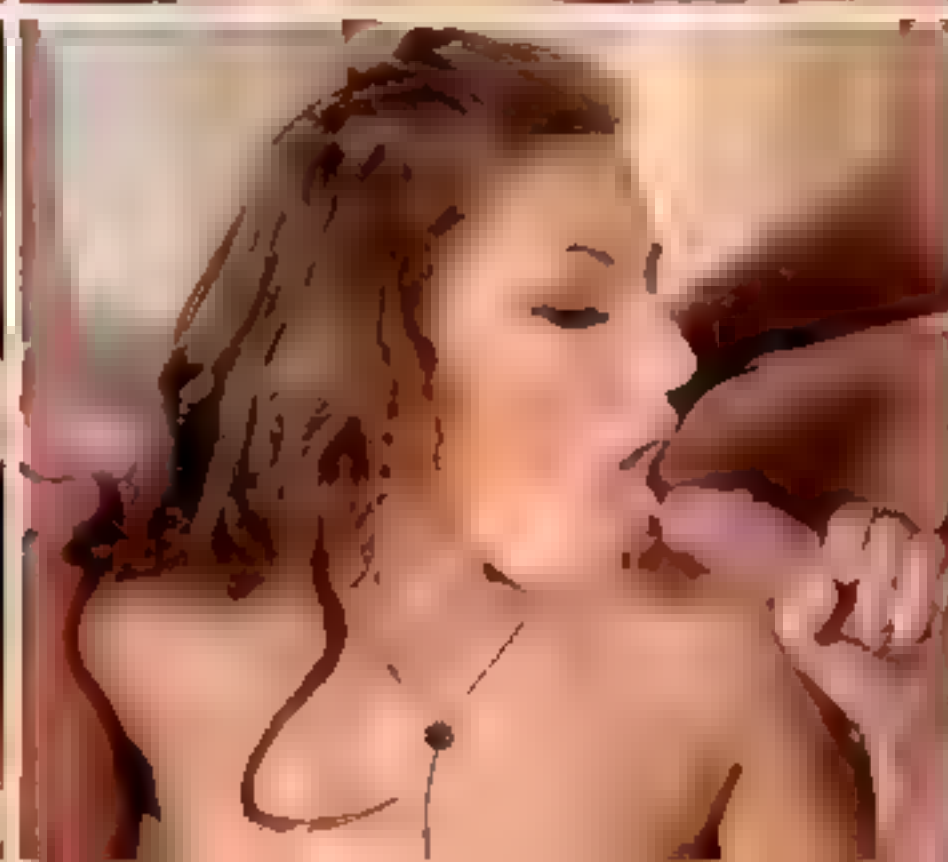

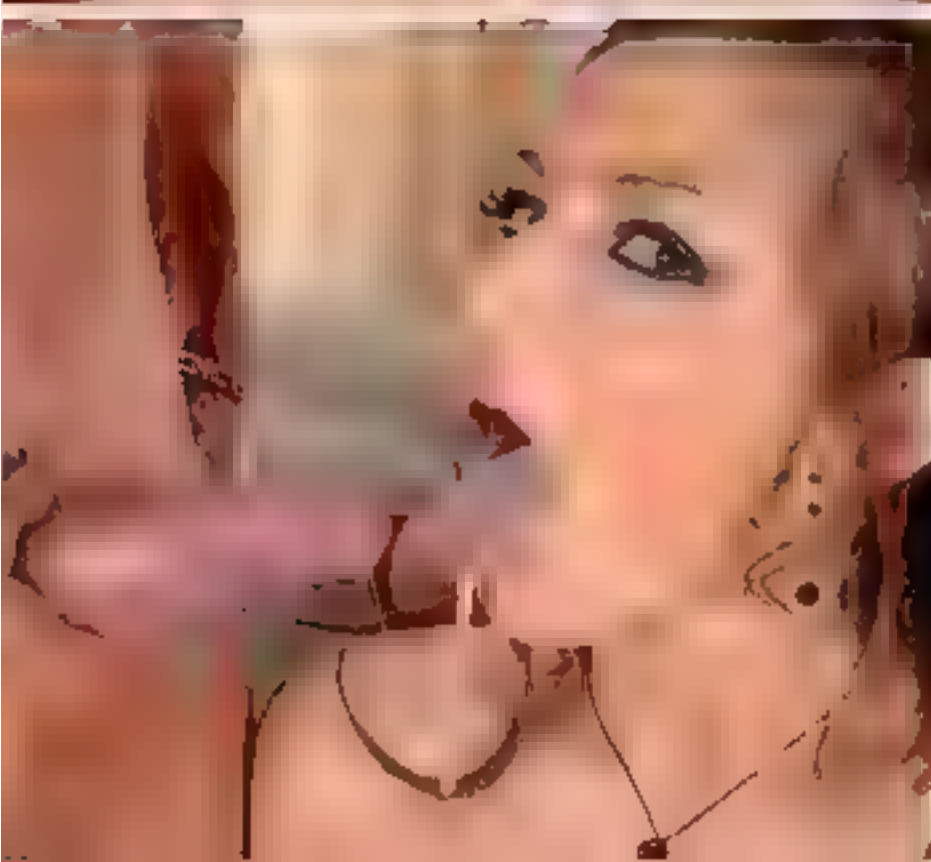

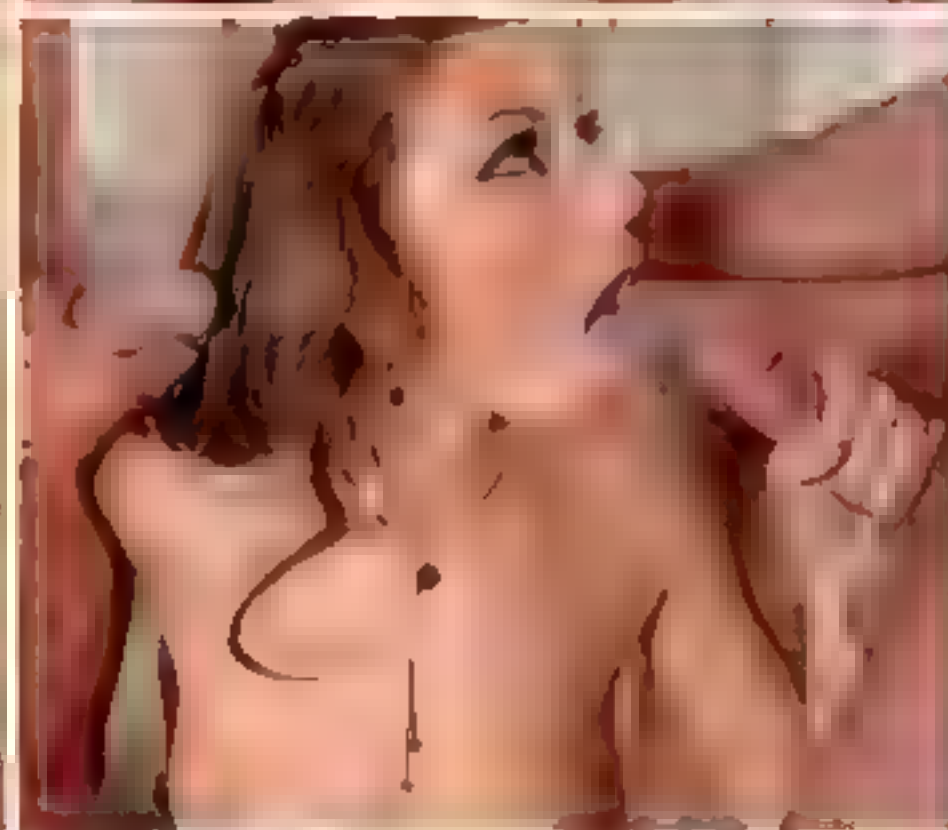

Jennifer Love's thing is group sex. Multiple partners is what she's into—the more the better—doesn't matter if they're pocking a rock hard cock, or a wet cunt. Today she's going to have another X-rated fantasy checked off her naughty to-do list. She's going to get triple penetrated—a cock in her ass, one in her pussy and the other one in her mouth. And her boyfriends each get a turn in every hole. Her pussy is aching, her ass is thrabbling, and her mouth is watering for a big piece of hard meat. But she wants to be totally in the mood. So she prepares a classy evening, followed by dirty fucking afterwards. A little dancing, alcohol, and cocks—everything a girl needs to get her juices flowing. Now it's time for her to get stuffed, and without fail, she has every fuckhole filled simultaneously with cock. Jennifer's eyes roll to the back of her head, squirting her cunt juices all over the place. Her fuckers are ready to shoot a milky white load all over her body. That's what Jennifer calls having a good time. Now it's time for Jennifer to leave and spread her legs for her husband. He always gets to finish her off—but her foursome is between us and Jennifer!

CHERRY
#myboyfriend's a tool!

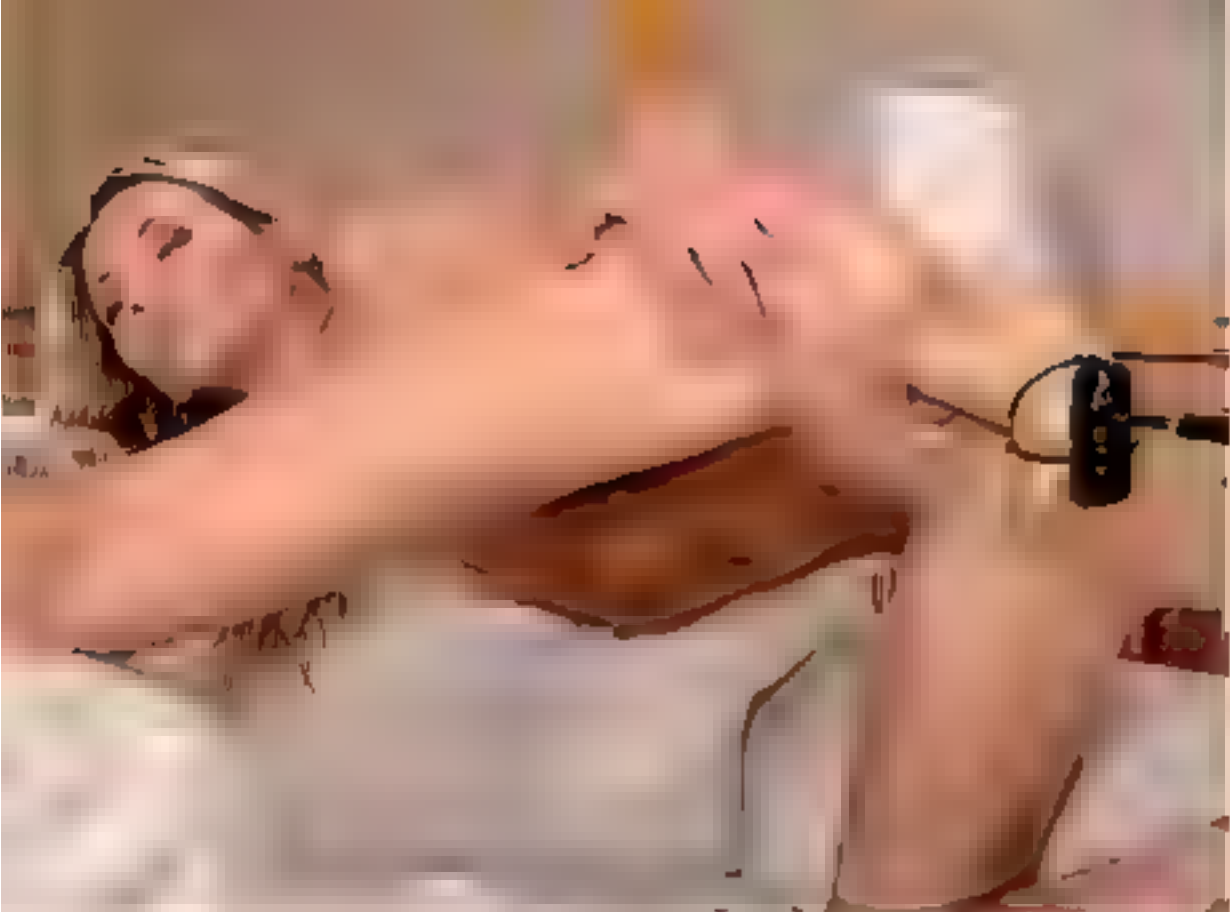

Cherry Jui wants everyone to meet her new fiancé, Robo. "We met at a sex toy expo and it was love at first sight," Cherry explains. "Our relationship was rocky at first. My parents and friends didn't really understand, and it was awkward bringing him around to social functions. My grandmother's funeral was especially difficult. But now everyone is very accepting of us. Robo is the strong, silent type. He's a great listener and so much more dependable than my last few boyfriends. He's the only guy I've met who can keep up with me in bed! I just love him so I'm marrying my best friend. What more could a girl want?" We're so happy for you, Cherry. May we kiss the bride...on the labia lips? •

After a long day of meetings, clients, and paperwork, Olga and Janos decide to unwind. Olga wants to get a drink. Janos just wants to fuck. So he makes a deal with Olga. She can drink his cum if he can fuck her ass. "Deal," says Olga, her firm's best espionage person. Her clients all say how giving she is of her time, sometimes seeing them at their homes late at night. Janos just wants to rip Olga's panties off so he can unload his cum all over her and get home to his wife. He tells the office where to get on her knees and get ready for his rod. Olga pulls out her toy and jams it in her ass, getting it ready for Janos to plug her ass deep. After Janos is done working her pussy, he goes right into Olga's pipe, working it as hard as he can, while Olga moans the names of her best clients. After Janos leaves a sticky mess on Olga, it's time for Olga to go back to work. Hmm, which client should she visit next? We like chicks who are enthusiastic about their careers! •

GINGER

PRIME S101

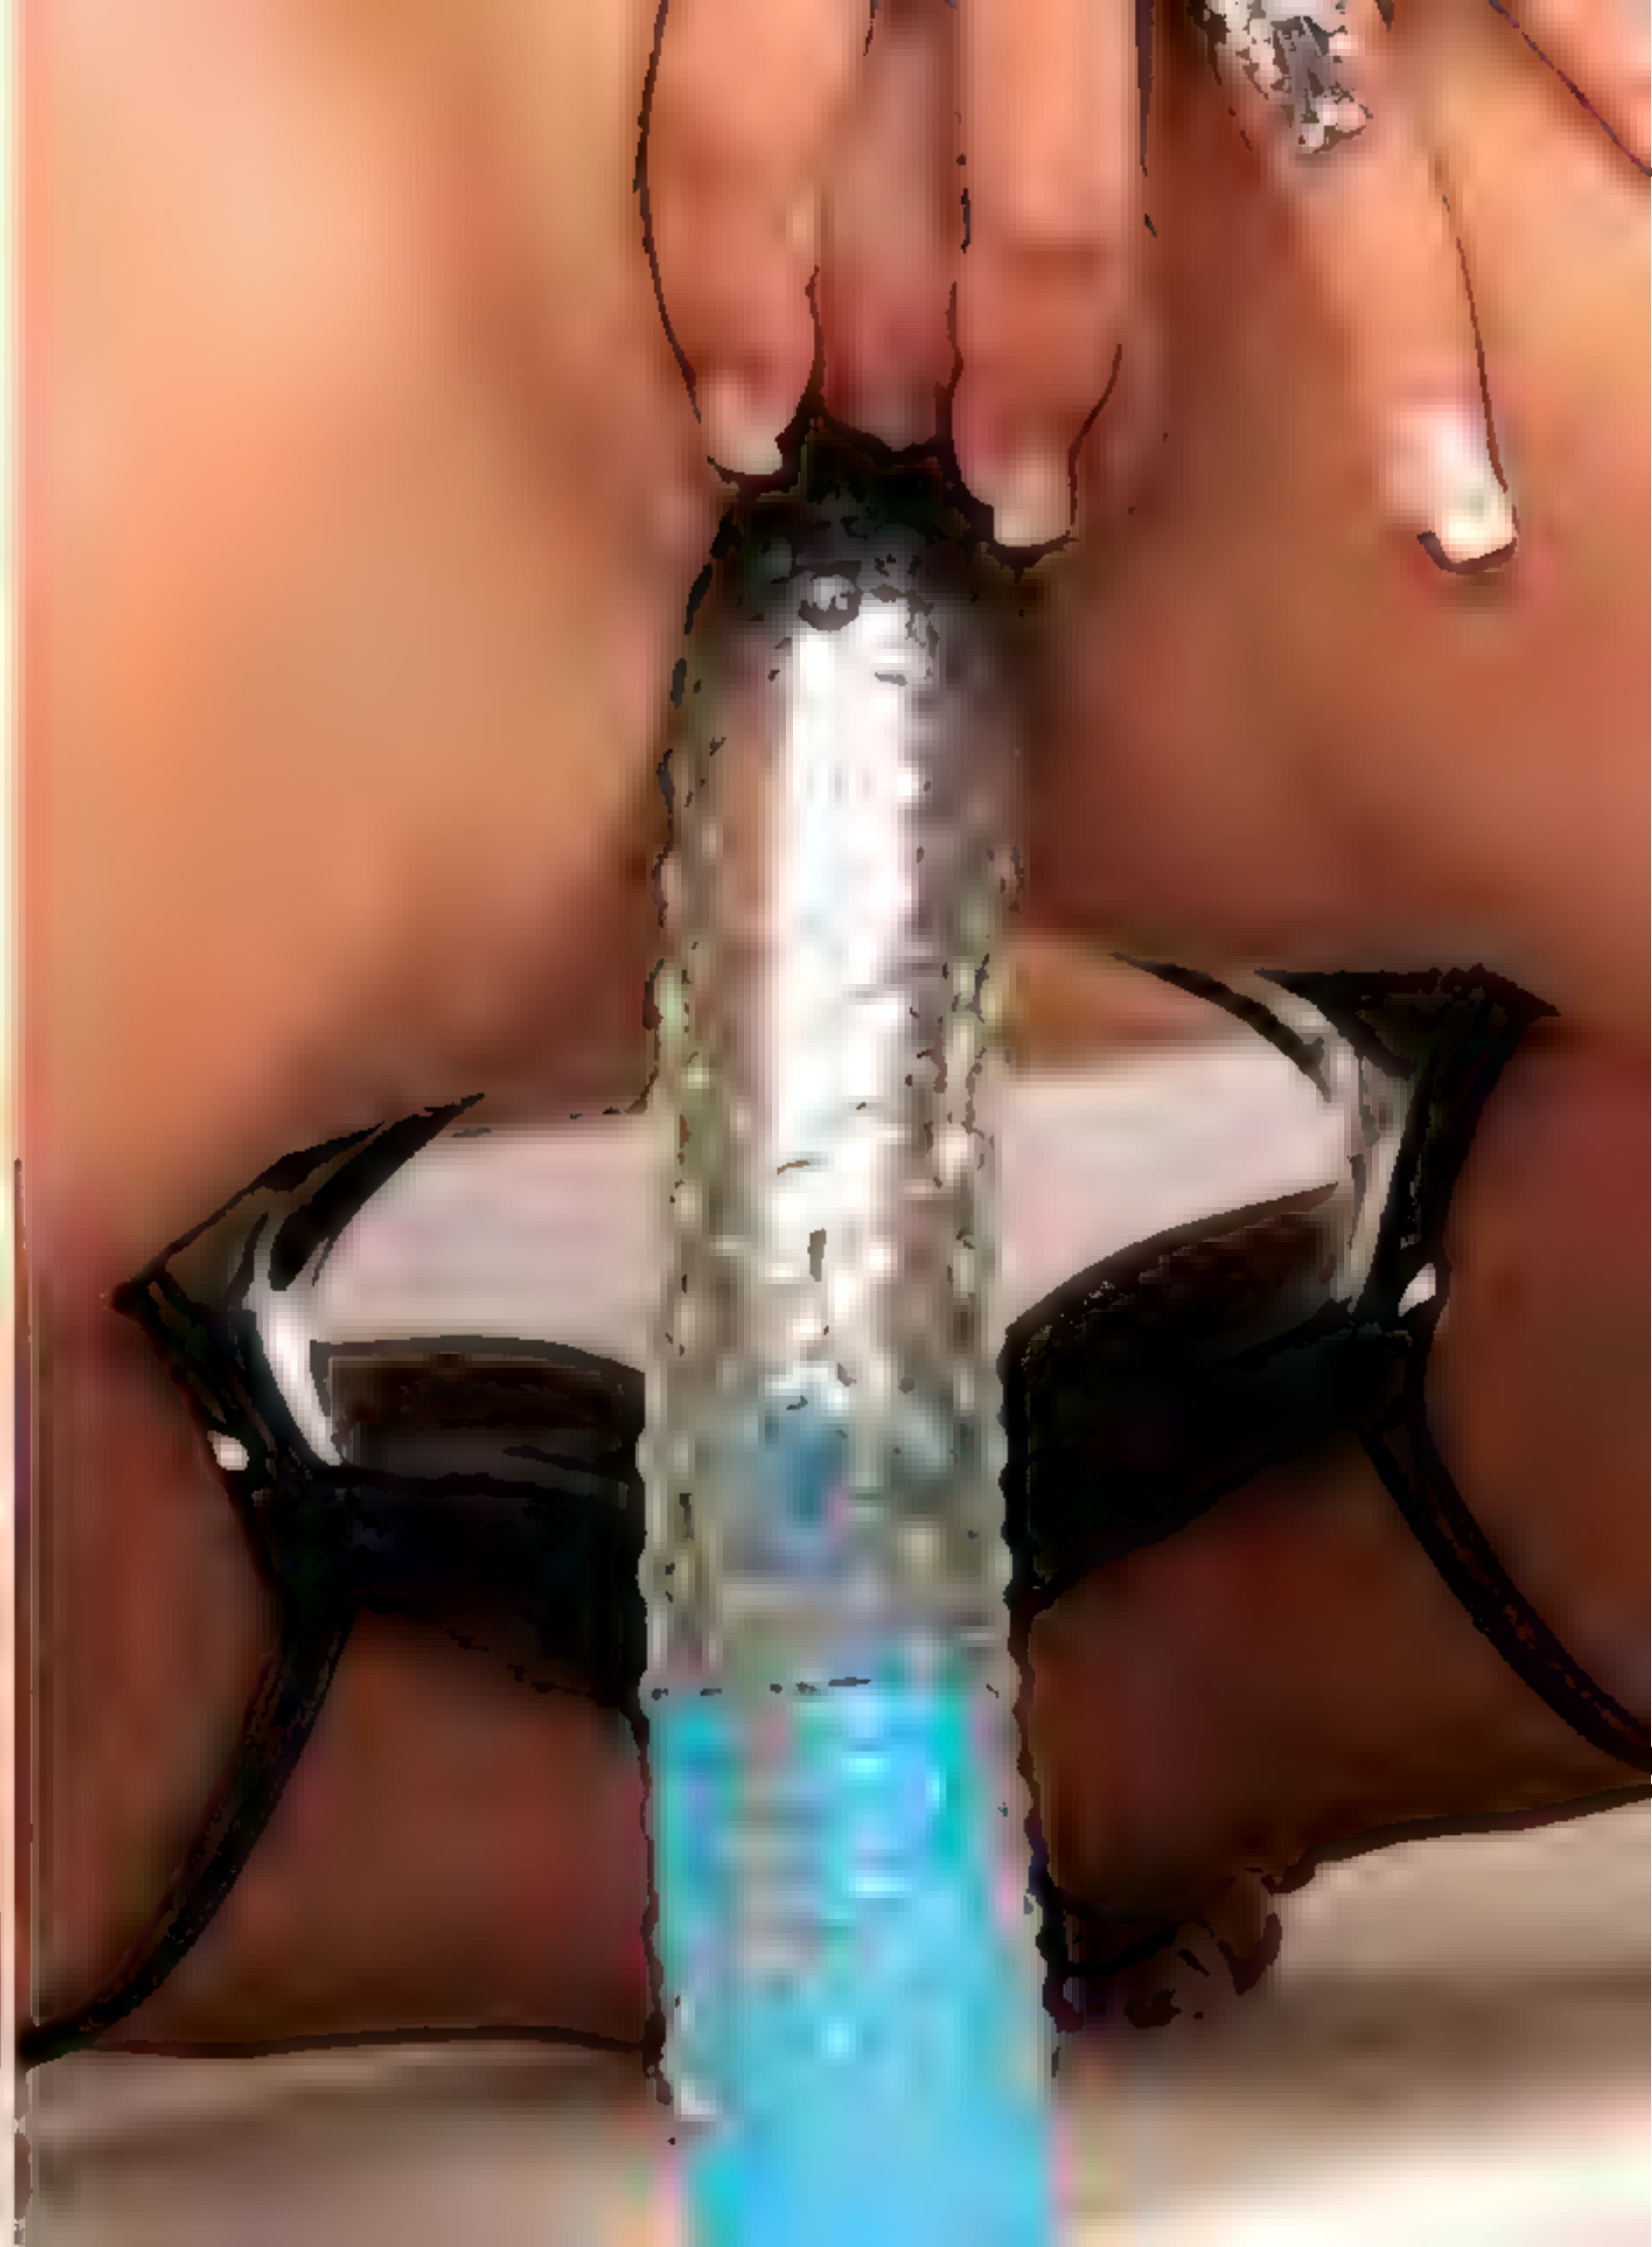

You don't run into girls like Ginger too often. She flew all the way from Europe to have her pictures taken for *CHERL*, and she wouldn't leave until we did a photo shoot with her. Not that we were rushing her out the door. She came prepared—wearing her slutty lingerie, fuck-me stilettos, her favorite vibrator, and lots and lots of stories of her sexual conquests. This poor farmer's daughter practically fucked her way through all of Europe! She told us all about her exploits in lesbianism, gang bangs, orgies, group sex, one night stands, blowing guys in bar bathrooms, and being DP'ed by her boyfriend and his best friend in the middle of a nightclub's dance floor. Why can't American chicks be this sexually outrageous? We need girls to be more promiscuous, and spread their pink for us horny guys. Ginger, we want you to spread the word to all girls in America and around the world—it's good to be a slut. ●

JESSE JANE LUST

(Digital Playground)

Who doesn't lust after the ever-lustful Jesse Jane? We love Jesse Jane, especially when she's totally naked and spread eagle! Jesse appears in three scenes in this lusty XXX-rated vignette. Jesse treats Nikk Benz like a bitch, then shares Ben's English sausage with her, gagging on it and swapping cum and spit. Bree Olson spreads her cheeks for an anal drilling, and lets her big floppy tits flop uncontrollably while she rides a stiff woody cowboy style. Jesse comes back to suck and fuck more cock; this time she gets the whole cock all to herself. Stoya is definitely a whore to watch with your hands down your pants. We loved watching her creamy pale-skinned ass getting rectally reamed and seeing her eyes roll to the back of her head. Just the way we love seeing our women react! Jesse comes back to end things explosively, humping a stiff rod until it gushes a hot sticky load all over her. Just the way we'd leave Jesse after we're done with her. You'll definitely be lusting after Jesse and the rest of her horny girlfriends after watching this stroke flick!

ASS STRETCHERS POV

★★★★

(Jules Jordan Video)

Starring: Tory Lane, Jenna Haze, Nikara, Brianna Love, Kelly Summer, Shyla Stylez, Julia Bond.

Who else but Jules Jordan can film porn sluts getting fucked up the ass and make you really believe that you're the one doing the fucking? Jules goes in gape deep to give us his POV of these sweet, stroking hot whores who crave hard manmeat up their shitholes. Jenna puts on a show that gets Jules excited, and Jenna wet, and instantly gets Jules' boner deep inside her tight butt. Cutie Julia Bond gets butt plugged by Jules' throbbing hard-on, as he can't wait to be inside her tight dumper. Tory Lane teases us all with that amazing, curvy ass that you just want to fuck, and Jules gets her to spread her butt cheeks just for him. Coco-skinned Nikara also has a curvy butt that's seen every size cock, and Jules can't wait to dig into her chocolate dark hole and be another notch in Nikara's luscious booty! Brianna Love has an ass to worship, and it is given due praise here by a hard stiff rod that Brianna makes disappear with her never-ending asshole. Definitely the DVD to cop if your fantasy is to pop these babes and cheries!

BELLADONNA'S FUCKING GIRLS 5 *********

(Belladonna Entertainment)

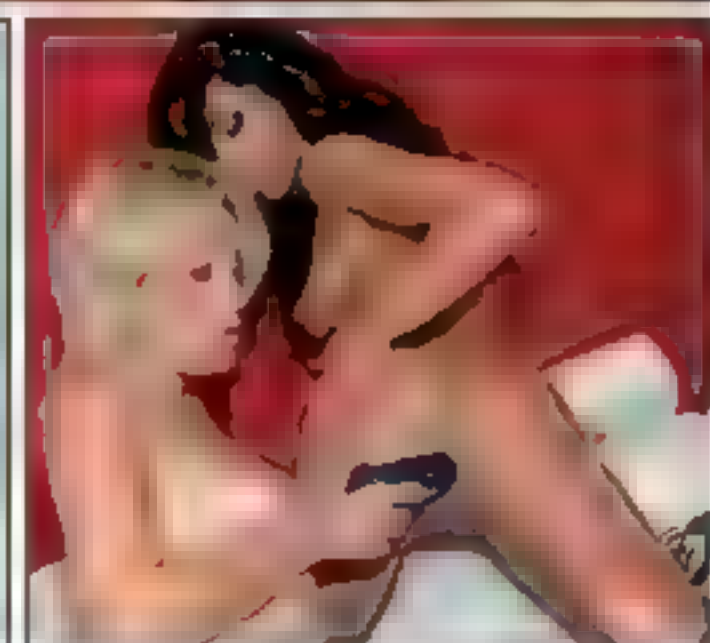

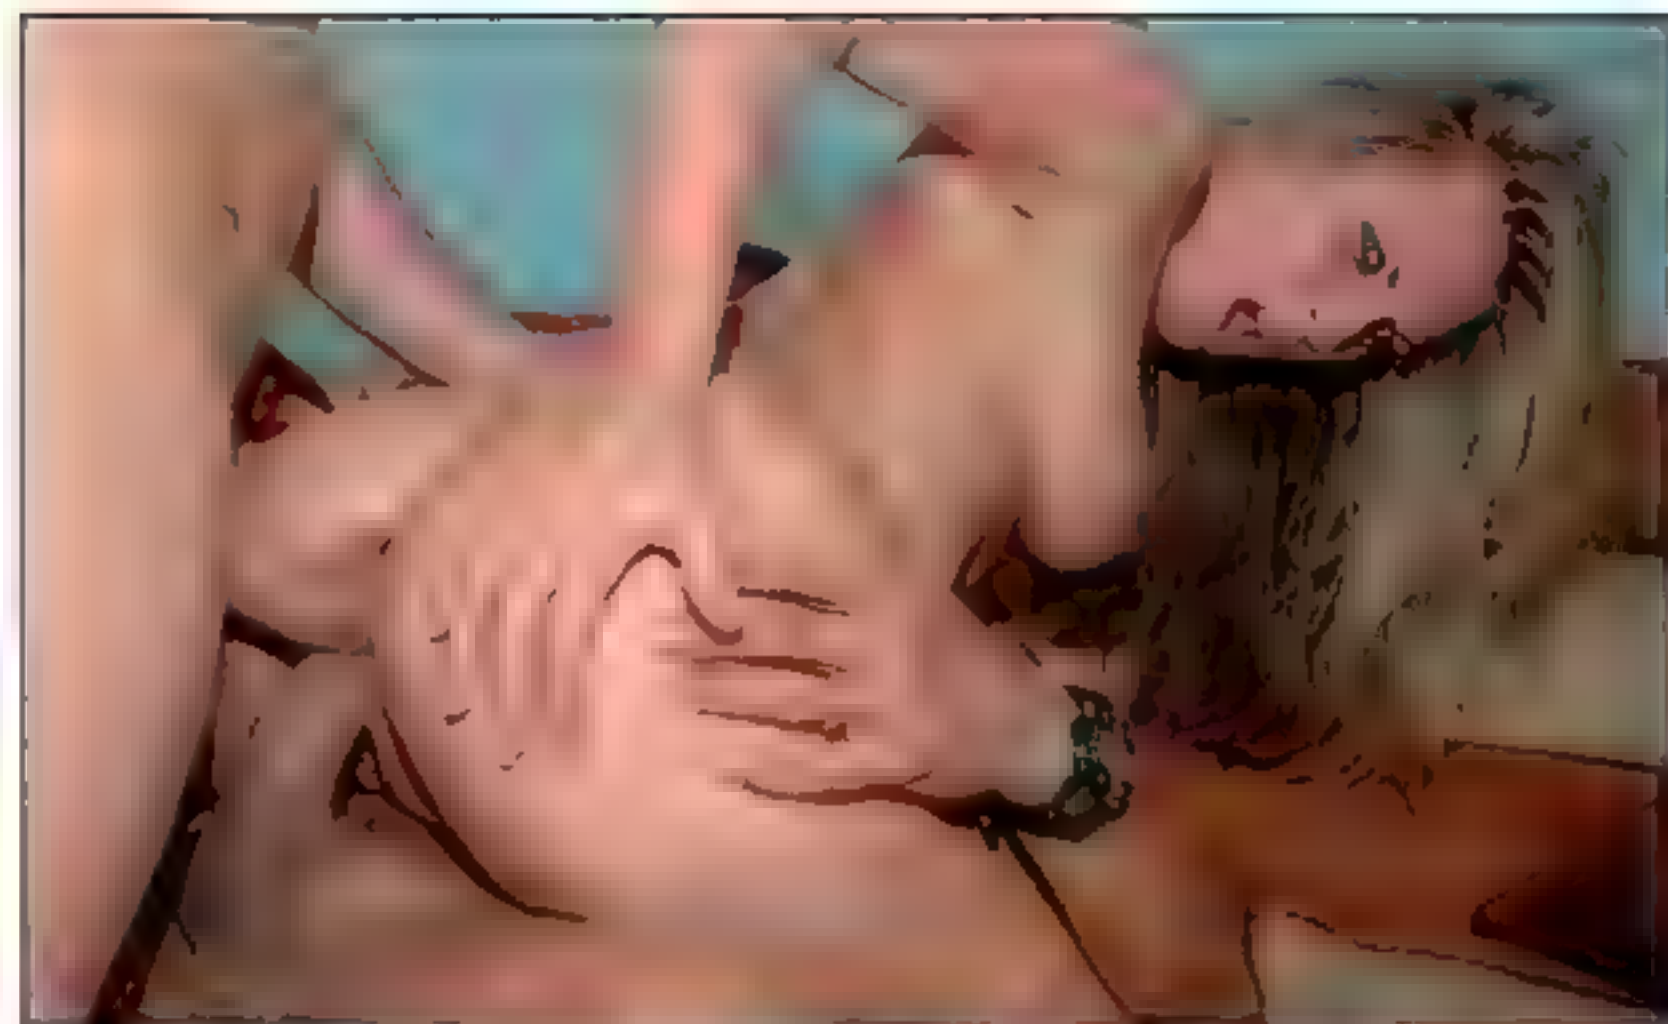

Starring: Belladonna, Joanna Angel, Sammie Rhodes, Sarah Blake, Rebeca Linares, Aiden Star, August, Cassidy, Alexa Jordan, Roxy DeVille, Annette Schwarz

Belladonna may be back gagging on cock and getting anally reamed, but she still loves fucking girls. Bella assembles a nasty, pussy-eating crew of porn lezzies who fuck the shit out of each other's cunts and asses. It's the nastiest display of girl-on-girl ass and pussy licking in this always torrid dyke series. Bella tears into Joanna Angel's cute little tush, and opens her up a new one. August and CHERI favorite Cassidy work and grind their sweet pussies against one another until a lucky strap-on works its way into this hottie sandwich. Aiden Star welcomes Rebeca to America by showing her how horny American sluts eat ass and dive into hot muffs. We creamed ourselves watching German whore Annette Schwarz take control of Roxy DeVille's body, as she probes and licks her hot wet holes. Now we know why German babes are the fiercest whores of all time! Roxy delivers her gash point blank into Annette's mouth, while Annette plunges deep into Roxy's asshole. Pure nasty stuff the entire time, and we loved it. Gives us more girls fucking girls, the filthier the better!

PERILS OF PAULINA ********

(SexZ Pictures)

Starring: Paulina James, Kimberly Kane, Adrianna Nicole, Aline, Annette Schwarz, Harmony

We love watching a girl getting her asshole popped for the first time, and sweet and sexy Paulina James gives up her anal cherry in this wall-to-wall sex romp flick. Paulina wants to get into porn in the worst way and gives a tape of her getting banged, and her muff being eaten out by Kimberly Kane, to sleazeball Eli Cross. But he only has one thing on his mind, and that's getting Paulina to take a reaming up her butt! She's sent on an anal learning experience around Porn Valley, and gets all hot and wet watching Adrianna Nicole and Annette Schwarz get ass pummeled by Mark Davis, Aline getting her sweet ass mangled by hard cock, and porn slut queen Harmony taking two cocks in her fuckholes. Harmony takes all the meat up her ass easily, but Paulina is still unsure that she wants to take the anal plunge. Maybe if she's tied up like a submissive little tramp she will be convinced. Evan Stone rams his fuck stick all the way in Paulina's tiny bung-hole. Never-ending anal, Evan just keeps hammering Paulina's ass until he smears his juice all over Paulina's pretty face. That's the way to do a babe. Be on the lookout for new ass sex queen Paulina James getting gaped and probed up her rectum in the future!

THE SUNNY EXPERIMENT ★★★★ (Vivid)

Starring: Sunny Leone, Monique Alexander, Brea Lynn, Cassidy Clay, Celeste Star, Nadia Styles.

Any movie starring Sunny Leone immediately gets our bones hard and throbbing. Who cares if she's still doing chicks with a body like that. we don't mind seeing her licking pussy or getting fucked by a big rubber cock! Here, Sunny introduces each scene and describes how hot it's gonna get you. She was right, we blew our loads multiple times watching Sunny jerk herself off. Bad girl Monique Alexander comes strutting in and immediately, Sunny takes control of her bitchy student. Clocking in at over forty minutes, it's Sunny and Monique in hot dyke, sub/dom action that is unbelievable. And when Sunny is not in the scene, we see Cassidy Clay getting humped like a street trash whore, and jollied Nadia Styles getting two big cocks to gape her tiny holes. But don't worry, Sunny comes back to fuck newbie cunt Brea Lynn, before James Dean gets to drill her teen twat. We wish we had a girlfriend like Sunny to warm up our women. And Sunny gets a lezdo rubdown and her pussy rubbed out by horny massage girl Celeste Star. Nice to know Celeste can hook us up with a happy ending. It's non-stop Sunny action, with lots of sluts showing off their hot pink boxes!

UP THAT BLACK ASS 4 ★★★★ (Elegant Angel)

Starring: Jameri, Baby Doll, Jade Stone, Amile Waters, Havana Ginger, Kaylani Cream, Pleasure Bunny

I love my porn with sexy nasty broads, poundings in every hole, threesomes, sex toys, and great shots of every scene with minimal storylines that get straight to the boning. That's exactly what you can expect in *Up That Black Ass 4*! Jameri starts things off. Not only is she fly, but her pussy is so wet you can tell she loves getting fucked as she pumps her hips and ass whenever LT's dick is near. Next up is a threeway with a very tasty Havana Ginger, who adds her barely legal sex toy Baby Doll, to the mix. A nice surprise for those of you just meeting Havana Ginger she's an ejaculator. Pleasure Bunny gets her ass and twat worked so hard she breaks a sweat! Amile Waters works a dildo, sucks a mean cock, and throws her ass back on a monster rod real good. Kaylani Cream and Jade Stone wrap this film up with another threeway. Look out for Jade strapping one on and making Kaylani ride her while she gets DP'd. LT switches it up with each freak, making this a film to watch again and again. Plus, all the threesomes are exactly how I want my next one to be. everybody gets fucked and nobody gets cold waiting their turn!

CHLOE, JANA & PAULINA 888 LICKING LESBOS

We fucking love lesbians. Who doesn't love dyke-on-dyke action: two horny girls going at it, tearing each other's clothes off, and fucking one other, sans cock? But what if you add a third dyke to the mix? A babe just as hot and horny, and ready to bury her face in a pair of luscious boobs, sweet twat, and hot ass. Just imagine you could look around this steamy cookie factory, without fear of having to avert your eyes from dick meat and man-ass. The only hard object in this room is the plastic phallic rod that will be fed into the juicy hot holes of each of these muff diving cuties. It's a wonderful sight to see. Watching these babes, lick, suck, eat, and fuck—it's so beautiful it brings a tear to our eye...and a dollop of pearly pre-cum to head of our throbbing boners! ●
